**The Book of Daniel (Closed Up and Sealed Until the Time of Fulfillment)** Russell M. Stendal  
The Book of Daniel is a study, a commentary, of the book of Daniel in the Bible. Each verse and each sentence is dissected to unveil great prophecies which are coming to fruition today. It cannot be over-emphasized how relevant this book is to our current generation. The book of Daniel covers everything from the sorry state of today's denominations, to corrupt governments whom will not be changed before the end of the world as we know it. Many devastating things which will come to pass are clearly defined in this book. However, Daniel doesn't stop here. We, the children of God, are shown the beautiful way of a true Christian's life, as modeled by Daniel himself. We truly are blessed and must give all glory to God for His generous gift of salvation, through His Son, Jesus Christ.

Each verse in the Biblical Book of Daniel is studied in depth, in the same order as presented in the Bible. The author defines words and phrases typically ignored and expounds on the prophetic times and seasons well documented by Daniel. These prophecies are clear and undisputable, and as the author points out, Christ intended that we know about the times and seasons so we can watch for His return. This book is originally taken from a series of messages by Russell Martin Stendal, while in Colombia, South America. Originally written in Spanish, this book was later translated into English to encourage Christians in the western world.

## About the Author

Russell Stendal was born in Minneapolis and raised on the mission field in Colombia, South America. He became a missionary jungle pilot at age nineteen. Almost ten years later he was kidnapped in 1983 by Marxist rebels and held hostage for five months. His book, *Rescue the Captors*, relates his experience, including how God worked in the hearts of the rebels.

Russell has written many other books, produced videos, and edited two Bible translations, the Spanish Reina-Valera 2000 and the Jubilee Bible in English.

Russell heads up the work of Colombia Para Cristo which operates 12 radio stations involving over 100 staff and coworkers and covering much of Latin America with the Gospel. A thriving underground church has developed in remote jungle areas of Colombia. New high gain antennas are now beaming the Gospel message deep into areas of deepening crisis across the borders of Venezuela, Ecuador, Peru and Brazil as well as throughout Colombia.

### **Margaret says**

This was a very informative book. However, the author repeated himself often and used examples that weren't relevant. I really tried to get through the whole book but just couldn't finish it.

### **Doug says**

This book has taken its place within the top ten extra-Biblical, spiritual resources of my lifetime (such as "Experiencing God", "Wild At Heart", "That The World May Know", "The Truth Project"...). Written by one who has earned the right to share with us due to his on-going and demonstated Christ-like ministry.
