#### **Great reads**

Loved the suspense, love and laughter in each story. Have me hope that romance can be found any where and everywhere even in the most unexpected circumstances.

### **Diane T. says**

I enjoyed this box set. Of course, I liked some of the stories better then others but I would average it out to 4 stars. This was a light-hearted romp that was an easy way to pass the time.

### **Viola says**

Some stories were great, some good, some not so. A good source if you are not sure what to read. Who knows, you may do d a new series to start on.
