A Mother's Love Marie Silk

The family saga continues in this third book to Davenport House, beginning with a chapter that looks into the past to understand the present.

Motor cars and telephone calls are now part of the modern life at Davenport House. It is summertime in 1915 Pennsylvania and the ladies of the house are making big plans for the year. Clara takes financial matters into her own hands and discovers an unlikely alliance outside of the house. The future becomes uncertain when faiths collide and a sudden outbreak of fever sweeps across the county.

Ethan and his father are absent for days when secrets of the past are found in a letter. The trustee reopens the estate of the late Mr. Davenport with the power to change everything for everyone at Davenport House.

Charlene A. Lester says

Tumultuous lives continue

The behaviors get more tumultuous with each book. But again I must be careful in what I say.

The author has done a remarkable job of pulling these stories together.

Eunice Korczak says

Davenport House 3

Davenport House 3 continues the stories of the individuals and families associated with the Davenport family and mansion. The families seem as convoluted as the merged families of modern times and harboring even more family secrets than their modern counterparts. Add in the threat of the great war and the emergence of new and life-changing inventions for an interesting story of people you can't stop thinking about. The books are complete in themselves, but you can't wait to grab the next one just to find out what those characters get up to next.

Judy says

The drama just continues to grow in this third in the series. It's beginning to be hard to believe that so many family secrets were being concealed by the late patriarch, and that Clara could be such a twit. And yet, you keep wanting to know what could possibly happen next, so I'll probably go on to the next one at least.

Deedra says

Audible: The twists and turns in this family keep me coming back! Mary learns she can not trust everyone. Clara is out of control. Secrets come out and fortunes change quickly. Allyson Voller narrates beautifully. "I was given this free review copy audiobook and have voluntarily left this review."

KayeC Jones says

A wonderful installment in the lives and characters in Davenport House. The more and more I read this, the more I'm reminded of Downton Abbey. Rich and complex characters and the wonderful historical settings and lifestyle are enchanting to say the least.

Oh, and I hate the mother. She reminds me of my own... sad but true.

Sandi says

I really enjoyed all of the books in this series, easy to follow and all character s were interesting.

Liz says

A Story that Just Keeps Getting Better

Since book 1 of this series the writing and editing of the material has improved greatly!!!

And the story line!!!!!!! It just keeps getting better and better with unexpected twists and turns, suspense, love, hate, illness, betrayal, and did I say love?

Now to find book 4!!!

Melissa Smith says

These books have completely captivated me. I love them.

Debbi says

Good, lots of drama. Clara, who used to be a serving maid and now has been found to be a long-lost sister to Mary is mismanaging her inheritance among who is in love with who and other servants who are now gentry.

L.W. Tichy says

Better and better!

I love this series! Just when you think the Davenport girls are going to catch a break from the ups and downs life has thrown at them, author Marie Silk introduces a new dilemma. What is really impressive is that none of it seems superfluous, every problem is well plotted and makes sense and is brought to a great but always unexpected conclusion. I think Davenport House: A Mother's love may just be my favorite so far, which considering how much I love the other ones, is really saying something. I read this book in less than a day because I just could not put it down. The dilemma faced in this book (no spoilers, I promise) is an emotional rollercoaster (seriously, I was ready to cry at several points) from start to finish so you feel just what the characters are going through. The results of the problem and what it does to/ brings out in the characters is part of what makes this book so great. My only hesitation in giving this novel five stars is the character of Clara. The character's maturity and growth achieved in the previous book seemed to backtrack in this book.

By the end, she has regained the maturity the last book left off with but this redevelopment of the character comes off as a little abrupt as opposed to the natural progression achieved in the previous book. However, this pales when compared with the enjoyable, intriguing, unpredictable story Marie Silk has written, filled with amazing, lovable (or sometimes hateable), believable characters. This series will not disappoint!

TDCbookreviews says

This is the third book in the Davenport series and can those Davenport sister catch a break! More scandal and more secrets unravel in this book. This book kind of gives you a bit of whiplash and you don't expect what happens! Mrs. Davenport is like a stray rabid animal that you can't keep away, because she just keeps coming back to stir up trouble. William and Mary get closer and so does Abby and Ethan. There are lot of discovered secrets in this book that you do not want to miss out on!

Book Blurb:

The family saga continues in this third book to Davenport House, beginning with a chapter that looks into the past to understand the present.

Motor cars and telephone calls are now part of the modern life at Davenport House. It is summertime in 1915 Pennsylvania and the ladies of the house are making big plans for the year. Clara takes financial matters into her own hands and discovers an unlikely alliance outside of the house. The future becomes uncertain when faiths collide and a sudden outbreak of fever sweeps across the county.

Ethan and his father are absent for days when secrets of the past are found in a letter. The trustee reopens the estate of the late Mr. Davenport with the power to change everything for everyone at Davenport House.

Lana Kortchik says

This is the third book in Davenport House series. I loved books one and was looking forward to reading book three very much. Not only was I not disappointed but I think this is definitely my favourite book of the series. It has everything - an unexpected twist, an intriguing family secret, great character development and many happy endings. Having followed the series from book one, I felt like I was reading not about fictional characters but about my close friends. I got so attached to the characters, everything that happened to them made me very emotional. It was an enthralling read and difficult to put down. I would recommend this series to anyone who enjoys well written historical fiction with strong and believable characters. I'm counting days till book four!

Janet McMillan says

The third book is even better than the first two. I read from beginning to end without stopping. The Davenport Series has become a addiction. Such a great twist in the plot

Charlene Davis says

Very good ?

The family secrets, loves, friendship, vindictive characters make the a great historical romance, suspense story. This is the first series I've read from this Author. Always great to find a new author and look forward to reading more from her.

gail James says

Follow the saga

The Davenport novels are addictive. Now that we got rid of (I hope) Mrs Davenport, I can breathe. All is well, as it should be, but I am sure another drama is about to unfold and I am there!
