## **Female Hustler Part 3 (Female Hustler All I See Is The Money...)** Joy Deja King

Angel is out for blood after Darien is left for dead on their wedding night. Believing the person responsible for her husband's demise is none other than Nico Carter, she orders a hit on him. Will Angel realize Nico is her father before it is too late or will he die without her ever knowing the truth?

Angel brings in a partner to oversee her lucrative business, Angel's Girls while she focuses on getting revenge but will the new partnership prove to be the worst decision Angel has ever made. Find out in Female Hustler Part 3.

### **Khalilah Whigham says**

#### **Taren**

This was a good read too. Happy these sisters were able to connect even if Aaliyah is jealous. Lol it'll work out.

---

### **Latia Sanders says**

Mannnnn!!!! Taren went from a spoiled brat to a straight psychopath! I need her gone! Great read. A page turner from start to finish. I literally finished this book within a few hours.

---

### **Denise Gilliam says**

This book was great even though it took me two days to read it. It answered a lot of question and now it's more questions to be answered. I'm happy that Aaliyah and Angel found out their sisters. That's all I'm going to say before I tell the whole story. Just know you have to read this book because it's really a great read. Joy Deja King you did your thang once again.....

### **Dyisha Allen says**

#### **Great**

Once again Mis King shakes up the world with another awesome book. This book kept my attention from start to finish. I was shocked by how the book ended and how we will have to wait until the next one to find out what happens.

### **Rise says**

Although I am tired of Precious and Justina in these books I am now looking to see what will happen in the next book.

---

### **Na'Tisha Riley says**

I have to say.....I was slightly unsatisfied with one of Joy's book for a change. I felt this book was lacking in material this time around. it was a good "filler" book to the story in a whole. Not enough happened, yet I will be patiently waiting for the next installment so we can pick up where we left off.

#### **Loved Iy**

I just love your work. The Bitch series is one of the best series that I have ever read. You are really good at what you do. I have read most of your work. I am currently reading Female Hustler part 5.

#### **Really Dena King**

Okay just when I thought it would get better a monkey wrench was thrown in. This book was off the chain and also have me all in my feelings. Now I gotta read what's next.

---

### **Belinda says**

Enjoyed very much. Continuing drama with Angel. She does find her father, Nico.

---

### **Aisha says**

Another good one.

### **Sharon Coleman says**

#### **Desperate for part 4**

Can't get enough of Aaliyah and now Angel...this family is going to rock Miami off the map..Hope Nico

---

don't have to turnip about his daughters

## **Shamear Owens says**

### **Loved it!**

The ending def got me on the edge of my seat. Idk who i hate more taren or justina. The walls are slowly starting to close in on taren. It wont be long before she is exposed. I cant wait until aaliyah find out justina really not her friend. Datien was really starting to make me mad there for a min. Another bomb read and on to the next book.
