Menardo V.Pineda says

Bo is my Good Friend and I love "the Boss Series" esp this Book "How To Be Really Really Really Happy." when I Finished Reading I Love it and I Like it! and the most of All is So Awesome! i'm give this Book a Five Stars!!!!

Syl Dondoyano says

I really liked it! So positive!

Dannuel Saùl Delizo says

Okay. First of all, I'm an agnostic, not an atheist. Learn the difference. Yes, I am a crazy fan of science but I believe in Him (whoever He is). So please, enough with the "why are you reading that?! I thought you said you didn't believe in God." I have a very profound understanding of the creation. I even have my own theory. Let's stop judging, holy people. I love Bo Sanchez. His words are divine. He admits that he's just human. He admits that he isn't holy. He is just a humble inhabitant of this universe. And I loved how he talked about all his wrongdoings in this book.

Accept who you are. Stop caring about what other people think of you. Always do good. Always be moral. Always. Always. Always.

Great book.

Joerwyn says

Very inspiring book and have a moral lesson to learned..:)

I love this book.

Jurich says

If you have read of Thank God, He's Boss, don't read this book. This is the same material - just a different title.

shanice ♥ says

Very inspiring. This is the kind of book you won't get tired reading again and again.

Bo, you are so great!

Erika says

Inspiring and fun to read :) Bo youre so cool :D

Maridethlovesxandrae says

nice one

Chelsey says

Let me just say that this is one of the best books I have ever read. This book made me shed tears without reading anything sad. The book does not contain sad stories, but rather, happy stories. As a matter of fact, as I was reading, I often found myself smiling at some parts. This book really moved me. It made me realize the things that I should know by now. Well, I am greatly affected with this book. I have read it for... Uh. Not sure. Maybe seven times already. Whenever I feel bad, I just grab this book and it instantly puts me in a good vibes. Best book ever. I so love this book.

Jelliane Reyes says

Funny, yet Inspiring ♥

Rachelle Alinsod says

the very first bo sanchez' book that i bought. a very inspirational book that captured me in a funny way. my journey to being closer to God started here.

Cielbert says

A realistic compilation of thoughts and life insights written by a profound and happy man. That is to describe this book in a sentence.

First things first. The writing.

Bo Sanchez' writing is conventional. Simple yet fun. He has this story-telling ability where he could take readers to take part in the story itself. It is engaging and definitely amusing. The wise choice of adverbs and adjectives used for descriptions are to take note for, especially for an aspiring writer. But honestly, this kind of writing is okay, for me at least. It's accessible and I can see people, who are not fond of reading, that will--in no doubt--read this.

There are no characters in the story since it's just a compilation of articles that he wrote since he started writing. Nevertheless, he still managed to compile it in a way that is not repetitive and has a smooth flow in terms of topic transitions.

What wowed me with this book is the amount of quotable phrases and sentences. Really! Bo has a knack of creating memorable quotes and thus urging you to share it to others, to your friends or on social media.

I have one complaint though. Throughout the articles, Bo conveyed that some particular times in his life, he was able to talk to God. Like literally, a "talk". He claims that God responds to his questions and pleas. And this response somehow made him decide what to do with his life thus making him happy because he 'is in the right path'. Personally, I think it would have been better if the last article he wrote was about "How To Get A Response from God" or something alike for that matter. It would have been a solid climax, wouldn't you think?

Overall, this is a feel good book for people out there who want to seek happiness in everyday undertakings. God bless everyone!

Writing: 7/10
Character Development/Retrogression: NONE
Plot Flow/Pacing and Climax: 5/10
WOW Factor: 8.2/10

ADDITIONAL MECHANIC MADE FOR THIS BOOK:

Life Lessons: 10/10

TOTAL: 30.2/40
Final Rating: 3.8/5 rounded up to 4

4 STARS! I really liked it!

Binibining `E (of The Ugly Writers) says

very inspiring and heart warming book....it made me shed tears, really touching my heart.. can relate to some stories..

Angie says

Funny, yet inspiring.

Junie Abe says

So good. Each page and chapter of this book got me laughing, be inspired and just know that God loves me, no matter what. This book was just amazing.
