A Love Story

David Weaver

A Love Story David Weaver

Jamal is a professional womanizer who reigns supreme in the city of Pittsburgh Pennsylvania. His sexual IQ routinely leaves women speechless, addicted, and craving for more. When he finally meets his match, Lisa Lee, she turns his entire world upside down while smiling in the process. Confused, he gains clarity and learns the greatest lessons about love from the most unlikely of sources; an impressively beautiful bank robber named Alicia.

Tanya says

This was a good read but I found it confusing to sort out all the characters involved. The end took me by surprise for sure.

?~Tina~? says

3.5 stars I didn't want to give this one a 3 because it was a bit better than that but not quite a 4. I gave Bankroll Squad a 4 but this one falls just a little shy of that book.

Jamal is a gigolo and he is not ashamed to admit that fact. He has several women and even manages to drive a Roll Royce. He makes no promises and tells no lies, which is what stops you from hating him.

Mya is in love with Jamal and gives him thousands of dollars to try to persuade him to be with her.

Lisa is an aggressive new reporter who will stop at nothing to have Jamal.

Richie is Jamal's brother who thinks his marriage to Tammy is all roses. Tammy has been thinking of leaving Richie, Jamal finds out and goes and pleads with her not to because it would destroy Richie.

One event changes Jamal's life forever and his life as he knows it changes when he pisses off his rival Markees.

A good story with a few loose ends and some good sex scenes. There is supposed to be a sequel so hopefully some of the unanswered questions will be picked up in the next book.

Camille ? says

This book is great! It has both life and love lessons.

I like how Jamal's character changes just because of the things that happened to him. I hate the part where he coveted his brother's wife, I mean, that's too much and I don't think he regretted doing it. He portrays most people I know, people who want to live life to the fullest without commitments and with much money. Life isn't like that. Life isn't a game like he thinks it is.

Alicia is a strong person and weak at the same time. She's strong because she didn't blame the world for what happened to her and she's weak because she killed herself at the end, she should have just faced her problems, you know?

I hate Tammy. She should just be contented with her husband. I mean, Richie is the perfect husband, he loves her and all. Sure, he may not be good in bed but duh? it's not just all about sex. I understand she's just a person and can be tempted but hello? he's Jamal, his husband's brother! I wanna call her a slut!

The ending left me a question, did Jamal kill himself in the end or was he killed by the cops???

Kat says

I love it!! David Weaver is a new author that I just started reading and I must say glad I picked up his book!

Amy says

Yeah, I'm not sure where to start or what to say. I can tell you that Jamal likes to eat P*ssy and he is good at it, but in the end he is a coward and instead of doing the right thing, he kills himself instead of going to jail for the crimes he committed. Way to go! The other people in the story Alex/Alicia, I'm not sure why they were brought in. It could have been a good story about a player if the writer would have focused solely on Jamal and his life and the way things snowballed. Like follow the line of him killing the other player. We heard none of this until Jamal's wife calls and says they found DNA. Really? REALLY!?

I would not recommend this book. Thankfully it was free on Amazon, otherwise, I would be complaining about that too!

Shawnda says

It was a great story and it shows love can really change a person. Also it shows how mistakes can change a person life forever. Great job David Weaver.

Black Butterfly says

DON'T LET THE TITLE FOOL YA' THIS IS NOT A LOVE STORY. I WOULD LIKE TO HAVE GIVEN THIS BOOK 1/2 STAR* MAYBE 1/4* STAR IF I COULD. I USUALLY DON'T READ THIS TYPE OF BOOK, I SHOULD HAVE CONTINUED DOING THAT. I TRULY HATED THIS BOOK IT WAS SAD AND GHETTO FABULOUS, WITH HEAPS OF DESPAIR WITH NO WAY TO GET A HEA EVEN IF IT HAD A SEQUEL. THE BOOK STARTED OUT IN PITTSBURGH PA WHERE I HAPPEN TO HAVE LIVED ALL MY LIFE. PLEASE BELIEVE ME THE ONLY THING THAT REMOTELY RESEMBLES PGH IS SOME OF THE STREETS NAMES. AFTER THAT EVERYTHING ELSE IS PURE FICTION. IT WAS FUNNY IN SPOTS, IN A VERY CRUEL WAY. ONCE AGAIN SHOWING HOW HORRIBLE PARENTING CAN CAUSE YOUR CHILD TO GROW UP INTO A DEFECTIVE HUMAN BEING. I GUESS THIS IS WHY I HATED THIS BOOK SO MUCH BECAUSE IT HAD A HORRIBLE STORYLINE (HIV, ADULTERY, MURDER, SUICDE, ROBBERY, THUG LIFE ETC.) AND A BUNCH OF CHARACTERS WHO WERE ALL SO VERY HATEABLE. NOTHING ABOUT THIS BOOK APPEALED TO ME. THIS IS MY FIRST TIME READING THIS AUTHOR AND IF HIS OTHER BOOKS ARE LIKE THIS I WILL NOT BE READING ANYMORE. IF HE REALLY WROTE THIS WHILE IN JAIL MAYBE THIS IS WHY THE BOOK SHOWED SO MUCH DESPAIR. FOR ME IT LEFT ME WITH A RESIDUE OF SADNESS, I DON'T LIKE IT WHEN A BOOK LEAVES ME FELLING LIKE THAT. SOOOOO SORRY I READ IT!!!!

Antoinette says

good read

Shawna says

I thought that this story has great potential, but it was a little rushed. The plot could've been dynamic if it would've been developed a little better. The story draws you in from the very beginning, and will have you interested, but will be over before you know it. Still I think this author has great potential and I will be finishing this series to find out what happened!

Niesha Hudgins says

I really enjoyed this book. Jamal was off the hook with the women and I would have liked to see what happened Richie's wife.

Victoria says

Good story....not so Good delivery.

the use of real world people kind of threw me off a little. I was expecting a little more story from the story. it was a very short read, and while the story was clearly told , and I understand everything I think there city's have been a lot more to it.

it's just missing something!

Carla says

A Love Story by David Weaver is the story of Jamal. Jamal is a self proclaimed womanizer who only uses women for what they can give him. Roll Royces, money, jewelery, clothes, you name it, he gets it. The only thing he gives them is mind blowing sex and he has them wrapped around his finger. But will a tramatic experience have him second guessing the life he's made for himself?

A Love story was a fast read. I read it in a few hours. I enjoyed it. 4.5 stars

~Black Faithful Sisters and Brothers Book Club~

Shanetra says

Not this authors best work, I felt like something was missing throughout the entire book. Still a good read just didn't keep me entranced like Bankroll Squad

Kieshaboo Mays says

I really can't get this story any stars. the plot didn't get my attention

shekitta says

A Love Story

A Love Story

David Weaver really knows how to tell a story. You can picture his characters as you read his books. This book was the same way. Great job David!
