Bouncing Off the Moon 7/14/2001 6/17/2004 10/18/2017

Leaping to the Stars

### Bill says

The trilogy is a delightful YA space opera reminiscent of the Heinlein Juvies with that special Gerrold style. Compare this family going to space via space elevator series to Joe Haldeman's more recent Marsbound series. Earth, Mars, The Moon, close families manage.

### Jim says

Prequels to "A Matter for Men". Not bad & fills out the world.
