Archie (2015-) #2 Mark Waid , Fiona Staples (Illustrator)

COMIC SUPERSTARS MARK WAID AND FIONA STAPLES CONTINUE THEIR REIMAGINING OF AN ICON! The new school year continues to bring with it daunting new challenges and interesting changes for the teens of Riverdale High. But there's one thing that remains constant: Archie's car is still a piece of garbage! With car problems comes money problems, which means that Archie's on the hunt for a new job. Fortunately, a mysterious new building in Riverdale is offering some career opportunities for Archie and his friends. Who's behind this new conglomerate and what are their intentions for Riverdale? Find out in the second issue of this all-new Archie series!

Sadia Mansoor says

This was even better than the previous one, of how Betty is trying all girlish stuff, putting makeup, making hairstyle & going to wear a dress for a party... how she manages to erase her Tom boyish look & transforming into a lady like avatar ;)

Then, Archie too having problems in getting a job, getting his hands on many different things as he wants money & he has to fix his broken car as well but he's either too clumsy or careless to even perform his task well!

While, these two exes were having their own issues, we get to meet the new girl in town, the new hottie.. RONNIE! Oh no.. she's here already! Archie is excited to see her in just one glance!! I don't wanna see her coming in between Betty & Archie.. plz :/

Abel Montero says

Forget the crappie TV show. This is Archie at its best.

Eleni Mosh says

Jughead's backstory was so on point
Cannot wait for the next issue focusing on him

Liberty K says

Archie 2015 it's getting better and funnier... I love how they built the anticipation for Veronica's arrival with the signs and the shots of the unfinished house. Can't wait for the next issues!

Jessica-👉Chatterbooks Book Blog👈 says

3.5 stars I didn't like this one as much as the first, but it was still enjoyable. I can't wait to see more of Veronica.

Binibining `E (of The Ugly Writers) says

Damn! On a roll since this is just a few pages. Veronica Lodge is a pretty girl and even Betty Cooper. But, ever since as a kid I'm a Betty Cooper-Archie fan. Can't change it now. But Ronnie was so effin hot in here.

Gabrielle (Wishes she had more time to read) says

All hail Queen Fiona Staples and her ability to make you feel all the things with her expressive artwork.

Like the first one, this was great. Still the gang I remember, just plonked into modern times.

Also, Ronnie looks fly as hell.

Thibault Lemaitre says

Really liking this new Archie run so far! Waid+Staples was always going to be a winning combo, though!

Laura says

I can't believe how clumsy and clueless Archie is.

K. B (⊃?•??•??)⊃?????? says

Back off, Trev. She is Archie's! *huf*

So it's Betty's birthday and Archie ain't invited. Poor Archie. He is clumsy when it comes to work or anything... I can relate to him. Totes! At least his friends are taking care he doesn't do anything to harm himself at the Lodge's construction site. But well... he ain't that lucky. He screwed up big. LOL! And then Betty secretly fixes his OLD car. She still loves him alright. Next the Lip Incident gets revealed and enters VERONICA!

Had fun reading.

Betty we all know the struggle.

Betty is pretty as she is.

Kaitlin says

This series is getting better as it goes for sure. I think Archie is a pretty likeable character and as the issues go on I find myself more interested in not only his story but also that of Betty who is the other major character. I think Jughead also has potential and he features every now and then. I think the next issue might focus more on him and so I will be intrigued about how this continues to unfold and evolve as I am sure it can get better.

The artwork is once again lovely as we know Fiona Staples is. She's wonderful at capturing the expressions and actions of people and making them feel genuine and accessible. I like that this is a fairly contemporary storyline and I think her art style really fits with this making it both clean and clear cut with some excellent line work and colouring to boot :)

As for the story it's fun and each issue we learn a bit more about the town and the people where Archie lives. It's a fairly regular place and we're following a down-to-Earth story of a boy in college(?) and yet it really works quite well as a light yet interesting read. I am looking forward to seeing what will come in future issues and I hope to keep an eye out for them in my local shops! 4*s

(also at the end of each issue we have some of the original Archie comic strips and seeing the comparison between that and the current design makes me chuckle! It's so different, but very 'of the times'. If you liked the original Archie you'll probably appreciate them more than me, but it's a fun time to skim over them and just see the inspiration Fiona and Mark have to work from!)

Sandra says

Oh gosh! So funny!

Archie, from the older version of the comics, has always been clumsy. The way they used his clumsiness in this issue was so over-the-top and funny. I love it so much! Also, I loved Betty's quirk of wanting to fix things. It's her thing.

This is brilliant! I love it.

Mapet says

Everyone who's ever loved Archie comics should definitely pick up a copy or two.

Holly Letson says

3.5*

I didn't care for how Trev treated Betty. He needs to learn to back off. As for Betty, there was no need for her to "fancy up" for her party. She has always been the "girl-next-door", and everyone loves her and her tomboyish ways.

Shade tree mechanic, Betty Cooper, strikes again, fixing Archie's car. While Archie seems to not realize that she still loves him, his father sees it very well.

Plus, Ronnie's in Riverdale now. You know that means crap is about to go down.

?????? ?????? says

The previous one was better than this one. Still we get more back story about Archie's friends. The accidental antiques of Archie during his part time jobs. And lastly, his chance encounter with the gorgeous Veronica. Probably they will have more time together in the next volume. And Betty still hasn't gotten over Archie by the looks of it. It's going to be the love triangle like the original, but maybe some twists along the way.
