How to capture such a rogue?

By arriving at his estate and claiming to be his bride, of course. But her plans go awry when Hamilton arrives and discovers her ruse ... and does everything in his considerable power to make her his bride in truth!

Sweet and beautiful short story.. Ms. Dodd's work has always been a favorite of mine, and a balm to my weary heart :)

---

### **MaryReadsRomance says**

Sweet, sexy, traditional historical romance.

### **Jujubee says**

Enjoyable Regency romp. Read the shorter version The Lady and the Tiger in the anthology, My Scandalous Bride. First CD read for me. Writing style and character dialog stronger than plot arch and antagonists. So, for me, it's okay ;)

I really wanted to rate this one higher but the fact that I had a hard time warming up to the heroine made it impossible to do. Too bad, the hero was very endearing...
