Love the RAs. They're hilarious!

Nur Fadilla Octavianasari says

Yay, Izumi and Mizuki such in love, I can't bear it. Uh-oh lovebird, too cute :3
I relieved though, finally Sano tell Mizuki that he actually knew her secret for along time, but hell you Mizuki being shy and such thing :|
I keep Lol-ed about how Youjiro counting their kisses :))))

Yaah, Megu-chan *now i'm teasing him too, kekeke* you spoiled brat, what you have done? Leaked out Mizuki's secret just because feeling uneasy to your girlfriend? NO NO its really not good you know.

What will happen next?

Ella says

I love this manga, I love this anime. Mizuki is a clever girl to actually disguise herself as a guy and walk into Osaka. I was pretty amazed when I watched the anime and read the manga. The only difference is that they didn't actually have the same parts in the story. But it still the same characters that are played and told along. If I were Mizuki, I'd be happy that I got Izumi Sono to fall for me and for me to love him back equally.

Chelsea says

A little anticlimactic, but I guess this isn't technically the climax (that will be the next volume, the final one).

Still, I expected more dramatic results when someone finally discovered Mizuki was a girl. Sweet and charming as always, but not one of the better in the series. (The weird vibe over the kiss count was the highlight.)

Cath says

4.5/5 stars.
Oh my god oh my god

Dexter says

Not my favorite volume, though there certainly was a lot of plot progression. The rumor is definitely an exciting, if expected, turn, and it makes it more fun that Nakao and Kadoma are around. I'm hoping that Mizuki and Sano get a little less awkward though. It's kind of painful.

Nidah (SleepDreamWrite) says

Just one more volume after this. Glad I continued reading the series where I left off which was volume 12 or 13 I think, I don't know. Anyway, this was good and well, I'm kind of sad I'm caught up but at the same time glad I finally am caught up. If that makes sense.

Ananya Singh says

uh-owww

Hayley says

I just friggin love this series, it was my first manga, and i'll never get tired of it

Shane Bacar santos says

This book is a really good! Wah! The RA's have found out Ashiya's secret! I also can't believe that Sano was standing right outside the door and heard the whole conversation. When the RA's asked her if Sano knew, of course Ashiya denies, but Sano barges in and declares he's known all along! Mizuki, frozen still in horror finally realising reality runs out of the door. Sano caught up to her like in those really dramatic movie scenes and explained everything. It was soooo dramatic, I loved it!

Aleixie says

I'll make this short and sweet. The series started out good and then went downhill from there, no matter how much I tried to like them. It was cheesy and repetitive and really boring. :)

Ashley says

I binge read all of Hana Kimi. It's easy to see why that is so easy once you get into the second chapter of the series. Hana Kimi is filled with complex character moments, tension, and fun. All the characters come to life and it's hard to put the story down. I've read my fair share of manga over the years and will continue to. I

have the feeling that Hana Kimi will remain one of my favorites. I can't wait to get in a reread.

Erica says

Love this manga. So glad my babes can be together and they kissed.

Adrya Ribeiro says

Eita que confusão viu...

Zaz says

Oh, what? There's a girl in the school? I'd really no idea!
