Doward Wilson says

The Zoe Donovan series is a quick and fun read. You get a fun adventure and interesting murder that will keep you turning the pages. I enjoyed the characters and setting. The murder investigation was well done and the final reveal was a surprise. I have read more of this series and enjoy it for being fun and relaxing. This time the action takes place on a turkey farm that Zoe and her friend are caring for after the owner is murdered. The family gives us several suspects, as do former employees. This is a series for animal and mystery lovers both. Enjoy!

Becky says

The only thing I didn't like was there were too many characters. They were hard to keep up with and hard to figure out "who did it".

Wulfwyn says

I enjoyed this cozy mystery. I like the turkey farm. It had a fall reading feel for me. There are a number of people in this story. I had to stop and remember who two of them were. It made for a bigger suspects pool though. I had no idea there were different types of turkeys. I learned something new!

Jo Fisher says

Early Christmas Present!

This is the second book of a well established series I am excited to find there are many books awaiting me this fun series

For anyone who loves animals and cozies this series is a must read!

Kathy says

Fun series

This is a lighthearted whodunit set in a small mountain village. Full of quaint characters and interesting situations, this was an enjoyable cozy mystery. Bonus: recipes located at the end.

Meg says

This was a good one! There were a small number of times that info or thoughts tended to be repeated but not enough to interrupt the flow of the story. A quick, easy read in a series that I'm loving.

Penney says

I absolutely enjoyed this story, the characters were good! I love how it all turn out, I'm looking forward to the next one in this series. It's a quick read. I'm looking forward to the next in this series.

April says

3.5 for me. Something is missing with this read. I can't quite put my finger on it.

Brian Frauenknecht says

Another amazing book

The second in the series is just as great as the first was. I love this series. Can't wait to read the next installment

Kathryn Devine says

Ending rocked!!!

Definitely a cozy read. Really enjoyed getting to know Zoe better. Enjoyed the sleuthing, as always especially the storyline and always the character development. I look forward to all of them in this universe.

Kirk says

Just awesome!

I'm going into my third Book of the Zoe Donovan mysteries, and I love these books! Kathi Daley writes amazing stories. Another fantastic location, (she also writes the Rescue Alaska series), really great characters, and well told story. I can't recommend these books, and the author, more than I have. Must read author!

Hilary (A Wytch's Book Review) says

Zoe was wallowing in self pity (having had the rescue centre she ran with the assistance of Jeremy close due to her "interference in legal matters" aka finding out who had murdered a rather unpleasant sports coach!) when Jeremy phoned asking for her help for a couple of weeks on a farm, the pay would be more than generous and so Zoe agrees (mind you she hadn't realised it was a turkey farm and the reason the job was only for a couple of weeks was it is the run up to Thanksgiving or "stuff yourself with a turkey dinner day" and these birds are slated to be the main attraction of a lot of dinner tables!

A couple of days after they started it appears that the accidental death of the previous owner was anything BUT accidental and on top of this turkeys seem to be disappearing and then reappearing (very odd), so with Zak getting an "in" under the guise of wanting to buy the place and Jeremy and Zoe looking into things as well Thanksgiving could be saved.

Bonnie Dale Keck says

Kindle Unlimited liked it but didn't love it hence 4 stars. Wasn't anything stupid such as typos or anything like that, just didn't love this.

{60-Second video review of this book at <https://www.youtube.com/watch?v=CjmsZ...> }

Kathi Daley's "The Trouble With Turkeys" is a fun, easy read that can be completed in a few sittings. For those who decide to whip up a few of the recipes the author includes at the end of the story, the book will be on the kitchen counter for a bit longer.

There are a ton of characters in this book, and it was a chore to try to keep all of them straight. Much of the mystery solving was accomplished in information dumps when one character would report back to the sleuths the conversations he had with the suspects. On the other hand, once she had the information in mind, main character Zoe would toss it around and present numerous possibilities as to the identity of the killer(s). While this might put your head in a whirl as Zoe ran through all the characters as she resorted the suspects, it was enjoyable to follow the ins and outs of Zoe's logic.

I felt the five-star element of this book is Ms. Daley's writing style. Everything flows from one sentence to the next, and the dialogue is realistic. The characters (other than Zoe) are not fully fleshed out, although the author shares tidbits here and there, and the interactions between small town residents ring true. The descriptions of the town and its activities help to fill out what could have been empty holes in the book.

While this is not a step-by-step deciphering of clues while danger hovers nearby story, it is an engaging tale that centers more around Zoe's life with a mystery or two thrown in the mix. Three-and-a-half stars, with the wonderful writing style helping to round that up to four stars.

Jenna says

Working to take care of hundreds of turkeys destined for dinner tables wasn't really a thrilling idea for Zoe Donovan. But being unemployed is a powerful motivator; especially when she has been feeling guilty about her friend, Jeremy, losing his job, as well. In order to keep her mind off the task at hand, Zoe plunges into the mystery of what really happened to Charles Tisdale, the owner of all those turkeys. His family thinks his death was an accident or the result of natural causes, but Zoe isn't quite sure. Together with Zak, her former antagonist turned friend, Zoe comes up with a long list of suspects who could have wanted Charles dead and gone - double digit long.

I will freely admit that the very long list of suspects was a little daunting and pretty confusing. But I worked the case along with Zak and Zoe and had a lot of fun doing so! And that's the thing with Kathi Daley; she makes every journey enjoyable. Her stories are filled with snapshots of small town life, friendships and families, as well as delicious recipes for later.

In *The Trouble with Turkeys*, Kathi Daley creates quite the challenging mystery, leaving a crumb-like trail of clues that don't only lead readers and characters alike to a deadly conclusion, but also draw Zak and Zoe more closely together.
