Scandalous Ballroom Encounters Volume 1 Victoria Vale

Scandalous Ballroom Encounters is a series of erotic romance set against the dazzling, opulent backdrop of the Regency era in London, England. Lords and Ladies were expected to behave with propriety during those times ... but what happened behind closed doors, when no one could witness the debauched and lusty encounters between members of the nobility?

Book 1: Masquerade (A M/F Romance)

Camden Rycroft is intrigued by the masked vixen he encounters in the Gardens. After one night with her leaves him hungry for more, his desire for her turns into a fiery obsession. When faced with losing Margaret to a potential husband, will he rise to the occasion, or risk living without her?

Book 2: A Marriage Most Scandalous (A FMF Menage Romance)

Cecily adores her husband, but wishes she knew how to draw him out of his shell. Beneath his polite and refined demeanor, she sees the true Sheridan—a man with the potential to utterly master her body and fulfill her every fantasy. Enter Madame Petra, a skilled courtesan known by the ton for tutoring couples in how to please one another.

Book 3: Tempting Two (A MFM Menage Romance)

With two men out to steal her heart, a jaded Penelope begins a game of intrigues and passion—one that the members of the ton would be shocked to know she indulged in. And, perhaps, in two very different men, she will find that the love she thought couldn't exist for two might just be possible with three.

This book contains three books but they are all intertwined. I haven't read historical romances in a long time but after reading this book I plan to read more of Victoria's books. In the first book Margaret must pick a husband , it is the season. She meets what we would call a bad boy and decided to have her fun with Camden ,the rake , while still being pursued by Sheridan. This is a hot read with dirty naughtiness. I like this story immensely. In the second book is the story of a married couple . The wife Cecily wants to please her husband. But her husband has an archaic and somewhat warped (caused by his brutish father) view of how a wife should be treated in the bedroom. Cecily is a strong woman who decides to bring another person into the bedroom to help. The steamy help will turn you on. Another fun story. The third story was sad to me. Penelope was left used and heartbroken and she plans revenge. But you know the best laid plans can get all messed up!! What happens when you fall in love with two people? Read this wonderfully entertaining book! I enjoyed it and I think you will too!

Three books in one volume are intertwined with some of the characters. Steamy, hot and full of intimate and scandalous scenes. Hold true to its title and although this is a first read from this author, I enjoyed.

Masquerade – Camden and Maggie – 4 – I read this story as a standalone a while back and rated it separately. A hot, fun, steamy, quick-read romp. One girl who wants to live life one night before being shackled into a loveless marriage turns into a steamy encounter that neither she nor the hero can forget. I loved Maggie and Camden. Maggie falls in love but Camden has no interest in marriage but neither does he want to let Maggie go. Fortunately, Camden comes to his senses and realizes he loves Maggie and swoops in just in time to prevent Maggie from marrying another. This is my favorite of the three stories.
A Marriage Most Scandalous – Sheridan and Cecily – 2.5 – Sheridan gets his own story (he was the jilted suitor in Masquerade). Sheridan's ass of a father totally ruins his outlook on women and their passions which leads him to develop a Madonna complex for his wife who wants passion not boring. I actually like that part

of the story. He is troubled but does not know what to do about it. Cecily brings in a “therapist” which I understand if she wants to learn how to please her husband but their arrangement was just too much for me. I know, I liked the next story and that contradicts with my feelings for this story but I just had a hard time with their arrangement.

Tempting Two – Penelope and Colin and Edmond – 4 – Whoa, talk about revenge is best served cold. Penelope was devastated when Colin left her high and dry and I was right along with her in saying that she would not let him back into her heart. Colin and Edmond were both very likeable gentlemen and I believe that both of them truly loved her with all of their being. Who do you root for? Who should she stay with? I had a hard time deciding. The progression of their feelings for her is heartfelt. The both deserve to be loved. Penelope’s revenge plot turns tables on her and she cannot help falling in love. An emotional story for all parties.

I was gifted a copy for an honest review.
