## **My Bunny** Justin Davis

'My Bunny' follows Millie, a young girl who just loves her bunny - so much so that he must go everywhere with her. The trouble is, he keeps going missing!

'Bunny he's called, Bunny's his name,  
He's old and he's faded but I love him the same.  
He has long floppy ears and soft padded feet,  
He has cute little arms and a nose that is sweet.  
He has pretty blue eyes, his whiskers are black,  
And a cotton-white tail is stitched on his back.  
His soft cuddly tummy is round like a pot,  
He used to be pink but now he is not!  
He's old and he's faded but I love him the same.  
Bunny he's called, Bunny's his name.'

This beautifully illustrated rhyming picture book is aimed at children under 5 years old. Each time Millie loses her bunny, a familiar verse is repeated and as they learn the words, children will delight in reading along with an adult. The heart-warming story is accompanied by 65 captivating and colourful original illustrations by Claire Adele.

Join in the hunt as Millie searches for her favourite long-eared, round-tummied companion!

This charming tale is the latest book from Justin Davis, the author of 'Escape from Nettle Farm', finalist in the 2017 People's Book Prize. Inspired by his own children, Justin is passionate about writing books that help children progress from assisted to independent reading. A keen reader of many different styles, he trained in writing children's fiction before opting for his own blend of adventure, wit and enchanting colourful illustrations.

## From Reader Review My Bunny for online ebook

### **Lisa says**

What a delightful childrens' book. It's about a cuddly bunny who keeps getting lost.

The story is told in rhyme, with a section being like a chorus in a song. You can't help singing along as you go, which put a smile on my face.

There are 4 little tales, each having the chorus in the middle.

The illustrations are delightful, and children will absolutely adore the pink bunny.

It made me smile whilst reading it and I think it will be a great hit with young children.

### **Russell Shanley says**

A fun, accessible book with beautiful illustrations and a catchy, repeating rhyme. Held my boys' attention throughout (and they enjoyed joining in!). Lovely to have a happy ending to round off the drama of Bunny! Would recommend for light bedtime reading.

---

### **Claire Cumberland says**

My son and I really enjoy reading this book together. The rhyme is lovely, and he likes to join in and say it with me. It has bright and colourful illustrations that he loves to look at, and as a parent the storyline of hunting for a favourite toy is very familiar! I would recommend this book for pre-schoolers; it is a wonderful story for parents and children to enjoy together.

---

### **Benjamin Bookman says**

I wish I liked this more than I did, since I received a copy from the author as a Goodreads Giveaway, and always want to support these books as best I can. Unfortunately, we didn't like the rhyme, the repetition, the illustrations, or (and most importantly) the story. Or rather, there was no story, or message, or even just something engaging to hold our interest. It was not a book that we will be reading again, nor passing on. It sadly falls into the category of someone thinking "anyone can write a kid's book" and it just isn't true.

Of the 17 readers:

17 would read another book by this author.

15 thought the cover was good or excellent.

17 felt it was easy to follow.

17 would recommend this story to another reader to try.

12 felt the author's strongest skill was 'rhyming'.

17 felt the pacing was good or excellent.

17 thought the author understood the readership and what they wanted.

Readers' Comments

'Excellent in many way. The illustrations were by far the best. So many picture books feel computer generated but this did not.' Female Parent, aged 40

'Excellent on many levels. It was sweet in parts, the ending was fab and the rhyming and language were well thought out.' Primary school teacher, aged 32

'Rhythm was very strong, rhyming generally ok but a bit forced in parts. Drawings were colorful, and my children enjoyed them. The description of the bunny was wonderful; the kids loved that, and they all drew their own picture.' Primary teacher, aged 34

'I liked the bunny the best. It's important not to forget where your teddy is.' Girl, aged 6

'I read this with my mum all week and enjoyed it a lot. The story is very, very sweet and so is the bunny. I want to read other books by this writer.' Boy, aged 7

To Sum It Up:

'A captivating, sweetly illustrated story. A FINALIST and highly recommended.' The Wishing Shelf Book Awards
