YESSSS!!!! FINALLY!!!! I was so darn excited to see that SE had written another story about the Crew. All of these characters are just so amazing. I loved that Sawyer was his typical, crazy self, and how Whitley had to plan this party like she did. But the best part, the best part was that we got to see the story from everyone's eyes. I love that we got to get a sneak peek into each member of the crew's perspective. It made this book so special!!! I loved seeing Zach and Bennett together, we haven't seen that much of them as a couple. I really couldn't have asked for more from a Crew Christmas. Thank you SE <3

I liked seeing more of the crew, but the writing style was hard to keep up with. I'm not sure why it's changed so much from the initial series, but now the wording and constant italicized phrases were too much. All in all, this steam-less holiday follow up was cute even if it wasn't my favorite.

Need more darn stars!!!!

This amazing writing woman could not have gifted her readers with a Christmas surprise one iota better than this. With tears streaming down my face, blurring the words I had to read over and over, I smiled til my face hurt to the very sizzle end. I'll never understand how she can just pull this hilarity and passion out of the air, get it on paper with the speed she does. This gift puts any shiny baubles, electronic Echo Dodd to shame. Thank you Arkansas woman for the perfect star on my Crew tree of books!!!

Loved It

Loved this little bit of Christmas with the Crew. I feel like I need a map to remember who's kids belong to

who. But it was funny cute sexy and some of my favorite fictional people enjoying Christmas. What's not to love. Thank you SE Hall

For lovers of the Evolve Series by S.E. Hall this is a MUST READ! This series is one of my all time favorites and when it ended, I was in a definite reading funk, but getting this surprise novella made my day! A Crew Christmas is a quick and enjoyable read that lets us see into the minds of all of our favorite characters as they celebrate Christmas together in the only way they know how.. full of chaos, shenanigans, and full of fun.

As always, Sawyer brings out the fun in this novella, and the things that go on in his head, and the things he does had me laughing out loud to the point I had tears in my eyes. This doesn't take away from everyone else, but if you've read and loved this series as much as I have, you know just how hilarious his character is, and S.E. Hall does an amazing job of bringing him back in this book in full Sawyer force. Seeing Laney, Dane, Zach, Bennett, Sawyer, Emmett, Whitley, and Evan all back together was the perfect gift and a quick and enjoyable read. If you're a lover of this series, you must one-click this read today, trust me, you will laugh and reminisce and want to re-read the entire series again just so you can fall in love with these characters all over again!

“Family doesn’t judge or scrutinize. Family embraces and enjoys each member, as is... for what only they can add.”

Absolutely fabulous addition to the “family” that is near and dear to my heart. Getting more of The Crew and The Squad was so much fun. The bond between this group is heart warming and the dysfunction is truly relatable!!!! I can’t even say that I have a favorite character, they are all so lovable.

A heartfelt thank you to the author for writing this “extra” for us!!!!

Love love love it

Such a simple thing, a laugh. Simple and yet it fills you up and makes the world a better place. I have had the extream pleasure of following the crew from the very beginning and I'm always happy to check in and find out what everyone is up to. It's like visiting a favorite relative. S.E. Hall knows exactly what she's doing.

Ashley Jasper says

This is the holiday short story I needed to get me back into the holiday spirit. It is not secret that I am a big S.E. Hall fan and it's mostly because of the Crew.

Holy smokes I haven't laughed this hard in a long, long time. It was Dane and Laney and Whitley and Sawyer and the rest of the crew in all their ridiculous, hilarious glory. But under all the mishaps- and there were quite a few- at the core of it all was the family love that only these characters embody.
