## From Reader Review Chibi Vampire, Vol. 12 for online ebook

### Timothy says

Relationships and revelations abound in this volume as Karin and Kenta's reach a whole new level in their relationship. Also, the reason to Karin's unique abilities is finally revealed, as it creates a whole set of problems as well.

---

### Karine says

So cute. Shit is about ready to hit the fan an there are only 2 volumes left. Super excited to see where this story goes.

---

### Setsanata says

I read this volume in one sitting, and pretty quickly, too. It's just so suspenseful!!

The story just keeps continuing, but with only two volumes left!! I really want them to come out already, because I want to find out what happens between Karin and Usui-kun!!

---

### William says

I really enjoyed this book for some reason. Perhaps it is because it's been a while since I read volume 11, or maybe it is because the romance aspect of the storyline is starting to develop, and the mystery behind the vampire society is deepening. Must read book 13!

### Rebecca says

I love the Chibi Vampire Series and so far the series has been going really well.

Volume 12 of the Chibi Vampire series has to be the best so far. This one gave some answers about why Karin is different from the rest of her family. Which made it a really really interesting book.

I loved the illustrations. I especially love the eyes and expressions on the faces of the people.

I found the 12th volume of Chibi Vampire to be really good. There were some new characters that were interesting and the ending of the book left me wanting the next book in the series. Lucky for me I happened to have that on hand too.

Also, I just have to mention the cover. It is so cute and so cool. I love Karin and Kenta as a couple.

Overall, Volume 12 of the Chibi Vampire series is totally awesome. If you haven't read any of the Chibi Vampire series you definitely should because they are really really awesome.

### **Christina says**

I'm sad i'm getting close to the end of the series. It was fabulous though. That ending.  
KYAAAH!!!!!!!!!!!!!!!!!!!!

---

### **Trip says**

That took them long enough! Also, additional plot.

---

### **Stacey says**

Wow! Stuff happens again. I have to admit I assumed Chibi Vampire was like Ranma where things are the way they are "just because" and they were unlikely to change. Instead, Kagesaki is hinting that there's something special about Karin's condition.

---

### **Mike says**

Quick thoughts: Another important volume as we head into endgame. Karin and Kenta's relationship continues to evolve in light of recent events involving Anju, and secrets regarding Karin's condition and

---

Yuriya's true purpose come to light. This manga is building wonderfully towards some sort of conclusion.

---

### **Rachel (Sfogs) says**

Cute!!!

---

### **Kristine Hansen says**

The complexity of this story continues to amaze me. I want to hug Karin really tight, and am thankful she has Kenta to hug her on the cover. Too sad sometimes, too sweet...too...ARGH...MUST KEEP READING!
