## From Reader Review The Power of Prayer in a Believer's Life for online ebook

### Jorge says

Los libros sobre la oración suelen estar llenos de lugares comunes. ¡No este! Spurgeon transmite su pasión por Dios en cada sermón, aquí convertido en lino de los capítulos. Los principios son claros y presenta consejos útiles y prácticos. Una lectura muy recomendable

---

### Robert Vincent says

“14 Seeing then that we have a great High Priest who has passed through the heavens, Jesus the Son of God, let us hold fast our confession. 15 For we do not have a High Priest who cannot sympathize with our weaknesses, but was in all points tempted as we are, yet without sin. 16 Let us therefore come boldly to the throne of grace that we may obtain mercy and find grace to help in time of need.” –Hebrews 4:14-16

In his writings on prayer in this book Charles Haddon Spurgeon, the 19th century “Prince of Preachers” takes us right to the “Throne of Grace” and teaches us to pray powerful prayers. In this writing Spurgeon indeed shows the reader “The Power of Prayer and the Pleasure of Praise”. He not only shows us how to pour out our requests with power but gives us light on avoiding the hindrances to prayer. Hear how Spurgeon shows that prayer can magnify the Lord’s attributes in the way of a doxology:

“What if I were to say that prayer is in itself essentially a doxology? It is an utterance of glory to God in His attributes. Do I ask Him to bless me? Then I adore His power, for I believe He can. Do I ask Him to bless me? Then I adore His mercy, for I trust and hope He will. Do I ask Him to bless me because of such and such a promise? Then I adore His faithfulness, for I evidently believe that He is truthful and will do as He has said, Do I ask Him to bless me not according to my request but according to His own wisdom? Then I adore His wisdom; I am evidently believing in His prudence and judgment. When I say to Him, ‘Not my will but thine be done,’ I am adoring His sovereignty. When I confess that I deserve to suffer beneath his hand, I reverence His justice. When I acknowledge that He always does right, I adore His holiness. When I humbly say, ‘Nevertheless, deal graciously with me and blot out my transgressions,’ I am reverencing His grace. We do not wonder, therefore, that through Jesus Christ the prayers of the saints should be precious to God, since they are an eminently practical homage to the Supreme.”

Whether you want to learn to pray or enhance your prayer life, read this book. You will profit immensely! “Set your face unto the Lord God.”

---

### Becky Pliego says

You cannot just read this book and forget about it; Spurgeon's sermons on prayer will fire your heart to want to pray more.

---

### **Bambi Moore says**

Can't recommend this highly enough. Amazing book.

---

### **Dan Sr says**

Spurgeon amazes me! Not only is his writing style brilliant, he is packed with content. This man truly knew the Lord and this book is powerful. The only downside is that I couldn't read too much at a time without overload ...like trying to drink from a fire hydrant.

---

### **Zinnada Hodges says**

This book was a GREAT read. I couldn't put it down. what I loved about it was that it took my knowledge of prayer to another level. It's not one of those "How to" books. It's more of a book for someone who already has an effective prayer life. He shows us how effective and powerful prayer is and why we need to use it. It's like, "Now that you have tool, let me show you what a great tool you have in your hand and why you can use it." Most prayer books just explains what prayer is, how to pray, how to set up a prayer life, etc. Mr. Spurgeon, helps us to see and learn what power we have in prayer.

---

### **Dionne says**

Charles Spurgeon isn't called the "Prince of Preachers" for nothing. He has an incredible way of preaching and writing the truths of God. He talks about prayer in a unique way that inspires unlike any other.

This is my 2nd book that I have read by him and I am getting ready to start a 3rd. I can't get enough and it will take awhile for that to happen since there is "more available written material by Spurgeon than by any other Christian author, living or dead."

---

### **M. Michelle says**

God was certainly pleased with the late Charles Spurgeon to have given him such insight into how to direct His people to bring honor to Him. I'm humbled by how much I learned from this book, and pray that I will make it a daily occurrence to put these lessons into practice.

---

### **Connie Adams says**

Such a powerful ministry. Truly anointed by God thru the Holy Spirt proving that formal education and Theological Seminary are not required to expound God's Word in a successful ministry. Like Christ's

Disciples he walked with the Lord thru his prayer life.

---

### **Ed says**

An excellent book on the practice of prayer. Prayer is very well searched out in the Scriptures. This book is for those who feel that they do not pray well, or they feel God doesn't answer their prayers or whether or not they are really praying. Spurgeon did not write this, but it is a compilation of his sermons on prayer. These are messages that Spurgeon preached. Lance C. Wubbels is the writer and the one who did the research to bring this book about. It says that it is compiled and edited by Robert Hall which is the pseudonym for Lance Wubbels.

---

### **Inge says**

Spurgeon is without a doubt one of the best! I never get tired of reading him. God truly annointed him with the ability to share with the rest of us in a manner that will without fail aid in your spiritual growth.

---

### **Dr. says**

This is a book worth reading! The chapter on hindrances to prayer is worth the purchase of this book.

---

### **Angela says**

This is an absolute must-read if you want to pursue prayer in any form. It took me over a year to read a book that was less than 200 pages, but it took a long time to let each passage sink in. It's not a hard read for language and style-- but it's dense in content. If nothing else, at least read the first chapter-- that section alone has enough fuel to transform your prayer life. Also, Spurgeon is a gifted gifted author. His similes and metaphors are spot on and help you to reach the conclusion that he has come to.

---

### **Albina says**

Every believer has to read up on prayer and to seek to grow in prayer and excel all the more. Spurgeon was greatly encouraging in his call to believers to pray more deeply.

---

### **John says**

Excellent on prayer - Spurgeon's illustrations are unique and memorable - I believe your prayer life will be challenged afresh. And it is not a difficult read - is profound yet very readable.

Highly recommend!
