Robber Bride Deborah Simmons

Maiden-Warrior-Lover!

This was the litany Simon de Burgh chanted whenever he gazed upon Bethia Burnel. Gifted with fighting prowess to rival any of his knights, the maddening woman had laid siege to his vision of how the world should be - and captured his heart in the battle!

Simon de Burgh was infuriating - full of raw power and male conviction, even when Bethia had him bound hand and foot, deep in her forest lair. But she would prove to His Arrogance that she could best him yet again - despite her heart's thundering refrain that she had finally met her match!

Kalp H?rs?z?

The de Burghs Serisi 3

Deborah Simmons

C?x be?enmedim ben

Yani ilk iki kitap öyle doyurucuyken bu kitap neydi öyle tamamen böyle bak?p kald?m

Simonun a?k?n? a??k olu?unu okuyoruz tüm kitap boyu. A?k hastal??n? çal??anlar?n koydu?u te?hisi okurken çok E?lendim. K?z?m?z ise orta karar birseydi ama roman doyurucu gelmedi daha farkl? hayal etmi?tim ama ne yapal?m gelsin di?er kitap

Usagi Tsukino says

1,5 stars.

Simon was a bit annoying. I didn't like what he thoughts about women. D:

Whatever. Could've been better. =__=

O Clã dos De Burgh 03

Coração de Guerreira.

Deborah Simmons.

H. Históricos 87.

2011.

Sem dúvida alguma, Simon é o De Burgh mais irritante. Mas, como tudo tem dois lados, ele também é o mais hilário quando está apaixonado.

E o que dizer da "moderninha" Bethia, admirável, pq é uma guerreira, literalmente, pois, viver numa época em que as mulheres são consideradas meros bibelôs, que enfeitam a cama dos cavaleiros. Ela comandar arqueiros é uma verdadeira façanha.

Então, imagine esses dois cabeças dura juntos. É claro que sai faísca, além de cenas quentes e hilárias.

O mais interessante é quando os personagens se dão conta, que não tem mais nada a perder. E se libertam das convenções. E fazem o que realmente desejam. Tudo fica muito natural e certo. Mas, aí vem a culpa. Ainda bem, que nos romances sempre tem final feliz.

Recomendo!!!

After devouring Taming the Wolf and the De Burgh Bride, I was eagerly awaiting Simon's story. While this is a "not to be missed series", Robber Bride left much to be desired.

Robber Bride is much more "battle focused" than "romance focused". I guess this is what I should've expected with Simon's story as he is the "warrior" of the bunch. What I didn't expect was to feel such apathy for these characters. I guess this is a matter of preference, but I like my heroines tough, but also "soft". They need to be able to hold their own, but also make me believe that they have heart. In the De Burgh Bride, the Fitzhugh was also a tough lady.....but throughout the story we see her vulnerability and the gradual opening of her heart. I never felt this with Bethia. I found myself hoping that the next chapter would get better, but alas I was disappointed at every turn.

Towards the end I found myself speed reading to get through to the end....not a good sign for me. Whereas with Taming the Wolf and the De Burgh Bride I found myself stalling so that the book wouldn't end and "savoring" each paragraph....RELIEF is the emotion I felt when turning the last page of this book.

In a series there are usually books that are "better than others"...for me this one fell short. I still recommend this series wholeheartedly and hope that the next brother's stories more resemble the first two!

2.5 stars

Pam says

The female lead in this romance (Bethia) is patterned after Robin Hood. A different take from the normal historical romance. I just wish I had known this was part of a series when I picked this one. It was ok, but I am not going to read the rest of the series.

Virginia Tican says

A re~read. I have issues about in~fighting among allies specially if the threat is real and when such squabbling is between a male alpha and a female one, it is even worse. And that is what this book is mostly about. The Humor is spot~on though, so this balances my irritation about aforementioned bickering. All in all. it is still full of fun and adventure.

Christine says

i have this in e-book format.

This is your typical alpha male historical romance. Except it had a twist. Whereas in other alpha male romance books the guy gets the girl and is slowly 'tamed' by her gentleness. And she accepts that he is all wise and knowing and agrees to be lead by him. or in some more progressive cases to subtly lead him without him knowing it. This time the alpha male is bested again and again by his own chauvinistic ways.

and in the end, I won't be spoiling this for you by saying that he gets the girl like all good romances. But with a nice twist of her not changing at all. I look forward to trying other books by Deborah Simmons to see if she is true to form with those.

Wessex Kurdu'nda Dunstan ,Kral'ın Buyru'u' Goeffrey'nden sonra Kalp Hırsız ve

Bu macerada Simon De Burgh'un hikayesi vardı..

Bir gün aniden bir çete tarafından yolu kesilip aldedilen Simon'u kaçırılan bir erkek de il bir kadında elbette..Simon DE Burgh kardeşlerinin içinde belkide en sert acımasız de ildi yada en bilegesi ama en tedbirsizi ve akılsız oldu u da kesindi:))

İimdiye kadar kadınlarla sınırlı ili kisi ile Bethia Burnel ile ba edebilece i üpheliydi..Bethia Burnel varolma savaşı içindeydi..Babasın etkisiz hale getirerek topraklara el koyan Brice Scirvayne ile görülecek bir hesap vardı..Onunla tam evlendirilmek üzere iken evden kaçıp ormanda kaçak hayat ya amaya başlandı..Çocuklu unda onun erkek gibi yeti tiren babası sayesinde de hiç zorluk çekmemi hem Brice ile hesapla aca hemde toprakların ele geçirip babasının kurtaraca gün için ya amaktadı r..Planlarında ise bir erke e asla yer yoktur...

Simon De Burgh'unda planlarında bir kadına yer olmadı gibi..Bu kadının onu oyuna getirip esir alması üzerine Simon' çileden çıkarmaya yetmi tir..Kıllarına bile zarar görmeden serbest bırakıldıktan sonra bu esrarengiz kadın ve çetesi hakkında soru turmaya başlar..Hen hesaplamak hem de onu tekrar görmek istemektedir..

Bethia ile karşılaş tıktan sonra tüm huzuru kaçacaktı r..Çünkü aralarındaki çekim çok net şekilde hissedilmektedir..

Book 3 in the de Burgh series

It's Simon's turn to be smitten by a woman! But, not just any woman could catch the always-on-the-move-battling de Burgh brother. A warrior woman, Bethia Burnel, who is held up in the forest, leading a band of men who remain faithful to her in order to win back what is rightfully hers, would do for Simon.

It sounds like a great premise for a book, right? I sure thought so! However, I did not enjoy this story as much as numbers 1, 2, and 3.5. I thought that both Simon and Bethia were arrogant, pig-headed, and often acted like children. They also did not communicate to each other very well in the book, and overall did not have many scenes together, which I found frustrating in a short book of less than 300 pages. The plot, in my opinion, could have had a faster pace to it as well. I also get frustrated when the h/h don't admit their feelings until the last couple pages of the book. However, I did enjoy the ending as we got to see all the de Burgh brothers together. Robin offers to hold Baddersly for Dunstan (the Wolf of Wessex, hero in Taming the Wolf). Baddersly is a property Dunstan inherited from his wife. I am looking forward to continuing this wonderful series.

Mafi says

Neste livro "Duelo de Poder" conhecemos a história do robusto, teimoso e arrogante Simon De Burgh e da exótica, brava, corajosa Bethia Burnel, uma mulher tão guerreira quanto Simon.

Quando Simon e os seus companheiros caem numa emboscada e percebem que a cabecilha do grupo é uma mulher, Bethia, Simon perde a cabeça. O jeito arrogante e o modo masculino que Bethia apresenta irritam-no, mas também atraem-o.

Apesar de revoltado com o comportamento de Bethia, Simon não pode negar que ela o fascina, a ponto de mal conseguir se controlar quando está perto dela. O instinto natural de Simon é protegê-la a qualquer custo, mas para Bethia ele não passa de um bronco. Mesmo assim, Simon decide se unir a ela e ajudá-la a recuperar as suas terras, derrotando o inimigo. Com uma grande capacidade atlética, e um forte carácter Bethia não irá baixar os braços enquanto não recuperar o que é seu. A seu lado terá Simon e irá descobrir o amor.

Dunstan'ın hikayesine göre çok daha durgun bir kitaptı. Evet heyecanla başladık ve heyecanlı bir sonla bitti ama ortalarda çok durgun bölümler vardı. Yazar daha çoklukla duygulara yöneltti gibiydi kalemimi... Yine de güzeldi De Burgh serisini sevenler tabii ki bunu da sevecekler :)
