**STAGESTRUCK - The Complete Series** Alice Ward

**"STAGESTRUCK" is a two part Steamy New Adult Romance Series by Alice Ward.**

**Both parts are now collected into this one bundle - READ THE COMPLETE SERIES WITH NO CLIFFHANGERS FOR ONE SMALL PRICE TODAY!**

Twenty one year old Kate Harper has everything she needs to take New York City by storm - a trust fund, and a dream to see her name in the lights on Broadway.

And the Big Apple has just as much to offer her - including the handsome Max, a definite perk to her new job at a trendy restaurant. Hooking up with him is enough to bring stars to anyone's eyes, especially hometown girl Kate.

But life in the big city isn't all champagne and roses and gorgeous guys. When she becomes the target of envious actresses, Kate doubts she has what it takes to survive in the city long enough to realize her dream.

But fate has other ideas, in the form of Dylan Matthews, a legend on Broadway. He's a lady's man, and Kate has caught his eye.

**Matthews might just be Kate Harper's chance at the big time, but what about Max?**

**How do you choose between your dream career and your dream man?**

## From Reader Review STAGESTRUCK - The Complete Series for online ebook

### **Karen Shortridge says**

book 1,

I was given this free for my honest review, it was a fantastic story right from the start, highs and lows and lots of misunderstandings, love and jealousy will definitely keep you gripped.

book 2,

I received this free for my honest review and I can honestly say it picks up right where part one finished and it was action and emotion right the way through, I wasn't disappointed at all as the story flowed and I really enjoyed how it went

---

### **Rachel Villarreal says**

Can you not afford a proof reader? Never have I seen sooooo many grammatical/typo errors. Ex.: you're instead your, were instead of we're, Sheila instead of Serena, etc. Why???? Story is good, but all the errors are very distracting, not to mention annoying.

---

### **Chantelle Hazelden says**

this was an ok read, there were a fair few grammatical mistakes and names getting confused but the overall story was easy to read and engaging enough. can't say I was blown away though.

---

### **Barbara Wilson says**

**Probably the worst editing job I've seen as well as multiple goofs on character names. Midway through Selena was suddenly Sabrina. Get a good editor to work with you.**

Correct tracking of characters is important. Story was so so. I won't read another one by this author very soon.

---

### **Candy says**

**Must read for anyone who enjoys a great romantic suspense!**

This was a great story. I loved the suspense, love, and friendship. I enjoyed the realness of the story. Sometimes to read a story that makes you want to become a part of it. Stagestruck is one of those stories. I adore Max and he is most definitely one of my new book boyfriends!

### **Michelle Ksepka says**

I enjoyed the small town girl, Kate, moving into the big city. Kate is a funny strong woman trying to make it on Broadway. She develops great relationships with her friends. I gave it a 3 because there were many errors that should of been caught with proofing.

---

### **Kelly says**

The book/series was provided by Net Gallery. I had not read anything from Alice Ward previously and enjoyed this book well enough, the writing was not striking or very crisp, but the characters were interesting as was the behind the scenes look into the Broadway life. Kate arrives in NY wanting to become a Broadway star, she already has a top talent agent. Kate meets Max at a bar and they immediately connect and hook up. But Kate misreads his intentions, and they discover they work at the same restaurant, but continue to be somewhat friends while attempting to ignore the attraction they both share. Kate meets her neighbor Janette and they immediately become BFFs, and Janette introduces Kate to NY and a party lifestyle. Janette's best friends Mark and Parker, who are a longtime couple are welcoming to Kate and they also help Kate transition to NY. Kate begins to audition for roles, and her initial audition does not go well, but then her second she meets the huge star Dylan Matthews, who is immediately taken with Kate and assists her in getting a lead role in his show. Max decides to go the safe route and begins dating a fellow co-worker, so Kate begins a romance with Dylan while working with him. Drama and suspense ensues, until the HEA finally comes around. It is an entertaining read, the supporting characters really help boost the overall story.

---

### **Donna says**

#### **Backstage Pass**

Behind the curtain the snarky, competitive world of Broadway threatens to swallow timid newcomers and spit them out. Is Kate's corn bred talent enough to keep the city jungle cats from tearing her apart? Will anyone believe she isn't the conniving up and comer the press wants to portray?

---

### **Tracy Banach says**

#### **Great story idea**

The storyline was entertaining and interesting. I enjoyed the characters they were likable and believable. The editing needs improvement but I was able to over look this minor detail. Nice light read.
