The Christmas Witch

Amanda M. Lee

The Christmas Witch Amanda M. Lee

It's the winter of 1995, and the Winchester household is more doom and gloom than mistletoe and merriment.

Young Bay, Clove and Thistle are anything but happy. They're facing their first Christmas without their fathers, and no matter how hard their mothers try, they just can't seem to get the girls to embrace this festive time of year.

Between the lack of snow, which the girls firmly believe brings magic, and Hemlock Cove's local Santa Claus going missing, things continue to go wrong instead of right.

Christmas has never been Aunt Tillie's favorite time of year. She thinks the only thing snow is good for is plowing, and the only reason she likes Santa Claus is because he brings her presents. All of that changes when she's forced to spend time with three miserable little girls – and the pall they're casting over the entire town.

Instead of letting them wallow, Aunt Tillie decides to take them on an adventure. They're going to find Santa. They're going to make it snow. Oh, and Aunt Tillie is going to get what she wants for Christmas – even if her nieces keep saying no.

It's Aunt Tillie to the rescue, and she's bound and determined her family is going to have a happy holiday – even if she has to make everyone miserable during the process.

Krystyna says

Will this Christmas be the disappointment that the girls expect?

Loved it! The girls are upset that Christmas is ruined and that they will not get the things they most deserve for Christmas. What can Aunt Tillie do to make things better. Teach them how to break in into a private home of course. Brilliant! Full of humour and snark but with an underlying sweetness and sap.

John S Roth says

Great Christmas Story!

Okay - this time author Amanda Lee has outdone herself with this delightfully charming, yet snarky story about - of all things - Aunt Tillie saving Christmas!

Cupcakencorset says

Aunt Tillie is a hoot!

Rosa Lee says

A Christmas Twist in Time

Journey back in time with the Winchester witches as this tale is in the voice of Aunt Tillie and gives a glimpse into a Christmas past.

Susan says

Just cute little stories!

Tara Outen says

Love this series

I am reading all of the series. It's fun I laugh and can't wait to find out what happens next.

Cheri Tipler says

Good Read

Aunt Tilley is just the most awesome character ever written. The need to fix a Christmas that seems broken and the lessons along the way. Just enjoy this series

Imjussayin says

The Christmas Witch: Wicked Witches Of The Midwest Short 5

Meet Young Bay (9), Clove (8), and Thistle (9) they are not happy. They're facing their first Christmas without their fathers, and no matter how hard their mothers try, they just can't seem to get the girls to embrace this festive time of year. Enter Aunt Tillie, except she does not agree the girls can have a puppy.

Yay, an Aunt Tillie book. A fun, humorous, heartwarming story. It sheds light the Winchester family, why the husbands left and is necessary background info and a laugh.

Read it and love it.

Would I read the next one or reread?: Yes

My rating system (* = star)

0* Could not finish this book (waste of time)

1* Finished the book but didn't like it.

2* Finished the book it was okay.

3* A good read worth your time.

4* An excellent read often with a novel concept or unusual plot.

5* A magnificent read. A prominent example of the genre.

Sara says

First of all I love this series! Since Book 1, the Winchester Witches have had me under their spell.

This entry, the fifth of the Shorts, is told from the perspective of Aunt Tillie. Yes, Aunt Tillie!

Set in the year the dads all left, the younger witches are in varying stages of sadness, depression, and acting out. If losing their fathers didn't cause enough turmoil, it's almost Christmas in Michigan and there's no snow! Worse yet, the local man who plays Santa at the town Christmas festival is MIA. Bay is hit the hardest

by everything, although the other girls are affected as well...meaning Clove is being an extra good girl and Thistle is on a tear. Finally, after enough whining and snark, Aunt Tillie promises her great-nieces the Christmas they want... But NO PUPPY!

Their mothers are busy with last minute shopping and such so they need someone to watch the girls. Oh, yes. Aunt Tillie gets the job. All I'll say is it's a fun ride for Tillie and the young'uns.

Ms. Lee, please keep these stories coming!

Dharia Scarab says

Since I don't normally write reviews unless I have something specific to say, here's the break down of how I rate my books...

1 star... This book was bad, so bad I may have given up and skipped to the end. I will avoid this author like the plague in the future.

2 stars... This book was not very good, and I won't be reading any more from the author.

3 stars... This book was ok, but I won't go out of my way to read more, But if I find another book by the author for under a dollar I'd pick it up.

4 stars... I really enjoyed this book and will definitely be on the look out to pick up more from the series/author.

5 stars... I loved this book! It has earned a permanent home in my collection and I'll be picking up the rest of the series and other books from the author ASAP.

Samantha Sears says

Love Aunt Tillie

Love Aunt Tillie. Such a heart warming background story for her. Fun to see the girls forming their unique personalities. Will continue to encourage friends and family to read this series.

Susan Clark says

Strange Delight

Okay, this has to be one of the most unusual CHRISTmas stories ever, but isn't that what the world is all about?! I really liked the accuracy the author used about 3 little girls missing their dads and their old lives. The story was improved by having Aunt Tillie as the narrator. What a softie! BRAVO!

debbie ragan says

Great

Aunt Tillie told this tale and in her way. Very fun to read and makes you love Aunt Tillie more

Stacy says

Great Christmas Gift!!

I really enjoyed this book, ashamed I hadn't read more of this series, but then a new series to start the New Year with is a plus to me!

- I really felt connected to Aunt Tillie, I believe we would be besties, both of us are snarky Aunts who I believe are the fun ones. She really cares that her family is happy, no matter how we, um, I mean she acts. Making it to snow before Christmas- that's love right there. Listening to the kids worries and not judging them is a plus in my book.

I liked the setting of the small town and it's Christmas events, the different people who live there, naughty and nice.

I think the Christmas Witch is a great feel good story that doesn't have romance and happy couples, but the real life of a dysfunctional family.

Mary Heron says

Everybody should have an Aunt Tillie

Great to get a story for Tillie's point of view. The lady has a unique way of looking at the world, is only happy when she gets her own way, can be totally obnoxious for no reason and it's always impossible to outwit her. The one place you do not want to find yourself is at the top of her list as that means being cursed (either with a hairy lip, smelling like bacon, unable to say anything bad to anyone, finding all your pants no longer fit) you get the idea. But Tillie also has a heart of gold, hidden well though it is, she loves her family with all she has and woe betide anybody who tries to hurt another girl (both generations). In this story which is just the perfect length, the girls are around nine years of age and are adjusting to home life without their father's for the first Christmas. Santa disappears, there's no snow and no chance of a puppy, Bay is convinced the holidays are ruined and is convincing Clove and Thistle too. Aunt Tillie to the rescue, whatever it takes her niece's are going to have the Christmas they want. Great read.
