The Devil's Spawn

Gemma James

The Devil's Spawn Gemma James
Kayla Sutton has finally submitted.

And now that Gage has his wife firmly under his control again, he won't stop until he's extracted every last independent drop from her being.

As each day passes, she learns new ways to accept his dominion. After all, she has a lot to atone for. Flirting with disaster with her ex-lover turned brother-in-law might be forgivable, but it's not so easily forgotten.

And neither are skeletons. If there's one thing Kayla has learned it's that skeletons don't just come out of the closet; they bust through with the power of a locomotive, mindless of the destruction they cause.

For the sake of her sanity, Kayla must make a tough decision, even if it means leaving everything behind.

NOTE TO READERS: The Devil's Spawn is a continuation of The Devil's Kiss series. For a better reading experience, please begin with book 1 before reading the Devil's Spawn. For mature audiences only. Includes explicit and disturbing subject matter that may offend some readers.

Michelle says

Throughout this series, I've just had to come to terms that I like Gage. He's an asshole. He's not a nice guy, but I can't help it. I like him.

In The Devil's Spawn, Kayla has recovered from her momentary lapse in judgement. She lived through his punishment, but these two still haven't moved past all of their doubts.

For Kayla, it's the ex that won't go away - the lack of disclosure of Gabe's full past - that leaves doubt. For Gabe, he loves her - in the only way he knows how - but still hasn't let go of the fact that she betrayed him.

In TDS, we watch as these two dysfunctional characters come to terms with their feelings, facing the mistakes of their past - moving forward in their lives to the next chapter. Kayla accepting that as much as she hates Gabe, she loves him just as deeply.

There is nothing romantic about this series, but that doesn't mean that there isn't a romance buried within it's pages.

Ayesha Singh says

5 STARS!

The final instalment in The Devil's Kiss Series. Epic!!! Gemma James has outdone herself, I love the first and THE LAST book in the series. THIS was the last book and Oh.My.Freaking.God!

No wonder I finished it in two days! Her writing, the story - I couldn't stop reading! I'm going crazy over this book!!

And the Masquerade Ball scene... WOW!!! Just WOW. If you have this book, you must read it. Like, right now.

Natalie The Biblioholic says

I'm thinking that this might very well be the conclusion to the series. Not sure. Although I was still quite irritated, I really quite enjoyed what I've read so far. Gemma James is one hell of a writer and I'm surprised by how much emotion she was able to pull out of me. Granted, most of it was anger, but who cares right?! The fact that I felt so strongly is just a testament to how invested I was in Gage and Kayla's story. Her writing was so on point that every time Gage punished Kayla, I felt it.

Her poor bum!

My disappointments remained the same. Nothing new. To find out what they are because I would hate to

repeat myself for those who already know, read the following reviews:

The Devil's Kiss (Book 1)
The Devil's Claim (Book 2)
The Devil's Wife (Book 3)

Other than sorely missing out on Gage's POV, I thought this was not only an awesome series but also a great introduction to this author.

Release Date: December 27, 2016

Genre: Erotica

POV: Heroine - 1st person

Steam: 5 out of 5

Series or Standalone: Book 4 of the Devil's Kiss series

Naughty Mom Story Time says

I haven't been so enraptured by a story this much in so long. Once I started along with Kayla on her journey to loving a man like Gage, I couldn't stop. Forgoing sleep and having been awake for more than 24 hours I feel a sense of completeness now.

The development of such a complex relationship between such captivating characters was so emotional and unforgettable. I felt everything on the emotional spectrum and fell in love with them both. Gage was truly a character I loved and hated. He was definitely a character that required patience and deep understanding. Though his love for Kayla was beyond obsessive and conditional it was also extremely devotional. Kayla was his perfect mate because no matter what he put her through she was the only one that understood him and was strong enough to put up with everything her put her through and that strength causes him to grow. Though the changes were minute, they were changes that had big impacts on their relationship and not something anyone else could have made happen.

From The Devil's Kiss to The Devil's Spawn the changes in Kayla and Gage were monumental on so many levels and I couldn't help but feel all of their pain, anguish, love and utter devotion. Gah! I couldn't put these down until I read the whole series. It's was just THAT good! What a great way to start off my new year.

Tanya Rae ~ TaSTy WordGasms says

The Devil's Spawn is the 4th book in The Devil's Kiss Series. This series must be read in order. These are DARK books so make sure you look at Gemma James warning.

Now that being said if you love dark books like I do then I am sure you will love to hate Gage Channing.

Gage is a man that you will either love him or hate him because he is "The Devil". He is one of the most controlling characters that I have read about. Oh he isn't the only one but, he is high up in the ranks for being very controlling. He wants to control every aspect of Kayla's life. I think if he could tell her when she needs to use the restroom he would. Not that Gemma James went there with his character. That's just how controlling of a man he can be.

Kayla can't seem to help herself and she is so attracted to Gage that she gives up her free will. Kayla keeps leaving Gage only to be brought back into his control. I won't tell you any more about the book but, if you love pretty dark erotic romances. The Devil's Series is pretty addicting and at times seems like a "train wreck" (quoting another blogger/friend of mine) that you just can't pass by and have to just keep on reading.

I voluntarily reviewed an Advance Reader Copy of this book. I give The Devil's Spawn 4.5 stars and I look forward to reading more books by Gemma James.

Review for TaSTy WordGasms

Lauren Valderrama PA says

Emotional must read

Omg I didn't know if I wanted to read fast to know what happened or slow because I didn't want it to end. I'm glad everything worked in the end. This book was so well wrote you can fill the emotions jump out of the

page. Wonderful series hate that its over. I feel like I have bonded with these characters

Debra Johnson says

The Devil's Spawn by Gemma James

Genres; Adult, Dark Erotica, Romance, Suspense.

4.75 Stars

Amazingly Ms. James turns the heat up even more in this one. I thought it was as hot and dark as it could get. Boy was I wrong!

At the beginning, before you read word one of the story, we are greeted with this,

'Includes explicit and disturbing subject matter that may offend some readers.'

What it should say is,

"Includes explicit and disturbing subject matter that *Will* offend and *Freak out Most* readers!"

Even I have moments of 'EEK!' with this series. Lmbo

Those 'EEK!' moments are some of my favorite moments!

In this one Kayla finds out she is pregnant with Gage's child. This is something they both wanted but thought they couldn't have. So it should have been happy times, right? Nope.

Kayla once again shows her inability to control her 'Stupid' moments. You would think it would be Gage who causes problems. After all, he is a sadist through and through, and Kayla is his. In his mind he owns every part of her. Every breath, thought, etc.

Safe & sane Gage is NOT.

So what does Kayla do, something she KNOWS will screw with his & her heads.

Through this entire scene (which Gage is not in) I kept thinking, NO! You are not going there!!

But, yep, she does. And she does it knowing she is screwing up.

No wonder Gage *tries* to keep her every moment under his control.

Not only does the *Down-&-Dirty* scenes get kicked up to *High Propane Super Explosive Hot*, but the suspense gets kicked up a few notches too.

I would have given this one 5 stars, but I found a couple of typos and there was one part towards the end that just seemed out of place for me. I doubt other readers would find that to be the case for them. For me, it didn't sit right. The way it was written in felt like a last minute thought to either up the drama or lead to a spin off series.

Note to all; Even though I have each book separately, I also have the 'The Devil's Kiss Series Boxed Set'. All the stories are exactly the same in the set. However, at the end of the bundle is 4 extra little stories about Gage & Kayla. Three of them are Gage's POV. So, if you see it on sale you may want to invest in it. Just FYI.

Mette says

Writing down my thoughts about this book is going to rip my heart out, just like reading it did.

The Devil's Spawn is the fourth installment in The Devil's kiss series and I would definitely not recommend to read it as a stand-alone. The books are woven together like a tight knit scarf.

Deep breath, check (trying not to hyperventilate)

Glass of wine, check (Trying not to drown my feeling)

Angel by Massive attack playing in the background, check (Definitely need some music)

Okay guys here goes.

My feelings are in turmoil. How do I explain my feelings about Kayla and Gage? How do I explain that I have never read any books about a couple that I loved to hate as much as I do Kayla and Gage?

Gage is a class A bastard. He is a sadist and a bastard mixed together in one, and that is a dangerous combination. He thinks his actions are justified just because he admits that he is a bastard. But just as much as I really dislike him, I find myself attracted to him. Not to his love for the bullwhip, but to all the emotions he has boiled up inside of him. I find myself craving, just like Kayla, his gentle side and when he shows it, I'm butter in his arms. The way he loves his children shows me that he is not just a selfish bastard. He is also a loving, caring person and I do believe that he loves Kayla with all his heart. He just can't help stop loving all his games and tests just as much.

Kayla appears to be spineless, but let's face it, she really isn't. She is a tough cookie that even though she tries to deny it, she can't live without the restrictions Gage put on her. She is not a complete person, with body and soul as one. Her mind refuses to admit that Gage is essential for her well-being. She constantly thinks of her body as being treachours to her mind, because her mind can't comprehend that she is a masochist.

The book ended on a happy and good note, but I can't shake the feeling that Kayla and Gage could be ending up sucking all life out of each other. Their relationship is no ordinary love; it's a constant game of give and take and I'm not sure it won't end up breaking them both. I didn't get the full feeling of living happily ever after, but perhaps Mrs. James is not finished with the suffering couple just yet?

The writing in the book is brilliant. The description of Kayla and Gage's relationship is just amazing, and even though I felt a bit uncomfortable at times, I couldn't put the book down and I loved every single word.

This book took me to my limit and perhaps a bit beyond, but I would do it all over again. I have become a huge fan of Gemma James.

Thanks to the author for this amazing advanced copy.

Becky Rendon says

Living with, loving, and married to a sadist is not an easy task. It's especially difficult for the insecure Kayla with an independent streak a mile wide. Or at least it was when they met...

She wasn't originally part of the BDSM lifestyle and so her submission comes at a price. Her previous relationships leave trust a dangling bandaid in a pool. Only a small scrap of adhesive keeps it in place and the slightest provocation could cause you to bleed everywhere.

I was desperate to get to the part reflected in the prologue. I needed to know everything, but as Kayla learns...curiosity can get your ass spanked or worse.

This series has been interesting for me. It's my first with a sadist and the mind set is boggling. I've read several D/s books but never with a sadist at the helm. I can honestly say I can't imagine Kayla's daily life but that kind of devotion could definitely make a girl compromise her freedom. However, I'm way too mouthy.

reviewed for the Sweet Spot Sisterhood

Espresso-Girls Just Wanna Have Books ; A Mafia Romance says

Drama to the left. Drama to the doggone right. This story is on the fast track for soap opera status! There's nothing worse than a bitter, scorned, and rejected woman!

Gage is definitely the man! Apparently dude is not only talented in the boardroom but his skills in the bedroom are so DELISH, women are forgetting their meds and are behaving with irrational and violent tendencies! Katherine is pure EVIL and what she reveals to Gage and Kayla made me want to jump in the story and give her a good ole fashion South Carolina beat down! No worries! Karma is a beautiful thing and her payback is BEAUTIFUL!

So jump on the Devil's train and buckle up for some series BSDM with heavy emphasis on anal play, crazy whipped women who can't accept rejection, and drama so juicy you will think you're watching a tv drama!

Five stars!

Renee says

I received a copy of this book in exchange for an honest review.

The Devil's Spawn is the fourth book in Gemma James The Devils Kiss Series. You must read the first three books in this series or your going to be so lost.

Kayla has finally submitted. Since Gage now has his wife under control there is no way he is stopping until he has every last independent bone in her body broken. Kayla all the while is learning new ways to accept Gage's domination. She's messed up so many times and just wants it to be forgotten. But, there are skeletons getting ready to jump right out of the closet. Ones that could destroy Gage and Kayla. Leaving Kayla with a huge decision. Should she run or stay put.

Oh goodness Gage...Gage...Gage...Your just not my favorite guy. Never will be and that is ok. Not every character can be all fluff and sweetness. Gage can certainly never be accused of having a sweet bone in his body. I just don't believe his is capable of it. But Kayla loves him. How they got together was unconventional to say the least and his need to control every aspect of her life drives me to the brink. Some punishments disturbed me deeply. The need to control is so great in Gage it consumes him. While he has his, and I do mean this in a do not expect a miracle sense, moments of showing compassion, he's equally as unrelenting in his punishments. He's a great dad to Kayla's daughter . Always has been. So there's something.

With that said this is a book about secrets. Omissions. Getting caught with your hand in the cookie jar and it causes a mess and a serious case of what could possible be the greatest revenge ever. I may not understand or can't comprehend parts of the relationship between Kayla and Gage, especially when they get to extreme, there is no doubt they are in love. I have no doubt he worshipped the ground she walks on and would go through hell and back to get to Kayla. Kayla would practically give up her life for Gage and you have to respect and appreciate a love like that.

Filled with secrets, revenge, destruction, and of course some punishment, The Devil's Spawn is a really good book. Fans of the series are going to love it. If your like me and reading all four books together your going to lay one down, write your review, and pick the next up right away. I've enjoyed the entire series so very much. .

Debra says

The last in the series, gotta say she got on my nerves with her uncertainty, but Gage did not change he is what he is...HEA:))

Mandy (2 Girls & their Kindles) says

The Devil's Kiss Series Bundle by Gemma James

The Boxset included:

The Devil's Kiss
The Devil's Claim
The Devil's Wife
The Devil's Spawn

Kayla will do anything to save her daughter Eve. Kayla is desperate to get her hands on the money for Eve's treatment no matter what the cost, When she steals the money from her boss, Gage Channing, she never saw the deal he would offer to keep her out of jail. He would keep paying Eve's medical bills and she was to become his slave. Agreeing, Kayla never expected just what she was getting herself into.

This was a great read in my opinion, it is a very dark read with heavy and harrowing BDSM scenes. But be warned it deals with consensual and sometimes non consensual acts so this is not for the faint hearted. Gage Channing makes Christian Grey look like a pussy-cat.

I'm a big fan of Dark Erotica, and this didn't disappoint, it was my first Gemma James read but it won't be my last. There are tender moments, but it is very gritty, raw and emotional and harrowing. The perfect read for Dark lovers but don't say I didn't warn you.

Laura- BookBistroBlog says

I honestly dont think I could ever get tired of reading about Gage and Kayla!!! This was the perfect little story of what is happening in their lives.

Katherine of course is the evil baby momma and will stop at nothing to try to break Gage and Kayla's marriage. But her stories sound so convincing...I would fall for them to if I had an ex in my life spewing the tales she tells.

The question is though, has Kayla messed up enough in the marriage... that she no longer can stay with Gage even after what she finds out?

Gage is 100% my way or no way kind of man...can he believe what Kayla is telling him actually happened this time?

Thank you so much Gemma for bringing us The Devil's Spawn!!!
