Sleeping Alone

Barbara Bretton

Sleeping Alone Barbara Bretton

After years of lies, loneliness, and betrayal, she's finally left her wealthy husband in London--and moved into her own house in the run-down resort town of Sea Gate, New Jersey, the place of her childhood dreams, and now, her grown-up hopes.

But while patching together her falling-apart house and fallen-apart life, Alex meets someone who throws a wrench into her plans for solitary bliss: John Gallagher, a local resident with his own haunting past and painful secrets. Alex is determined to do what it takes to make it on her own, even working as a waitress at the Starlight Diner. But when her old life catches up with her, she must measure her fiercely independent will against the needs of her own heart. Because this struggling shore town has become her home--and she'll never let anyone destroy her home again...

Stefanie Keeling-Robinson says

Great story

...lots of twists kept things interesting and made "Sleeping Alone" an easy read. Some sad tears did fall, but the overall story did not disappoint.

Bethany says

Really enjoy this authors books. This one was a stretch in my opinion -- so you run away from your husband, taking all your jewelry and buy a house (apparently paying all cash) and leave your self no money for a new roof, etc. And you trust everyone you meet very quickly. Little far fetched in my opinion .. Still a good read

Anne Yentsch says

A total surprise

With many authors, especially in the romance genre, secondary characters rarely have much pizzazz. This story is different: tightly woven, fast-paced, and filled with delightful people trying to resolve family problems.

Susannah Carleton says

Barbara Bretton writes wonderful books with terrific characters---ordinary people in extraordinary circumstances. Her characters are very believable and down-to-earth, and you can't help but like them and cheer for them.

Sleeping Alone is one of my "comfort reads"---a book I read when I need cheering up. The story has never failed me: it's always great, and it always makes me feel better.

Lisa Nienhaus says

I'm not much into cheesy romantic novels, and I feared this one might be. Considering there was only one sex scene, not too bad for feared romance. This book, while being a tad predictable was a sweet, fast summer read. Somewhat of a no brainer read, but I do enjoy those in the summer.

Regina Gilley says

Slow beginning but a fantastic ending!!

This book is a story of courage, pride, perseverance and the real meaning of life and love ? I highly recommend this book for anyone that is feeling down! It will reignite your Spirit!

Bonnie says

Good story. I enjoyed it very much. I like when a book gets involved with the characters and the author makes them come alive for me.

Jennifer Wilck says

Great story! Loved it.

Bill Cole says

Characters worth rooting for

Despite a somewhat implausible start, occasional typos, and a dues ex machina event, this is a good yarn with engaging characters and a sweet ending.

Barbara "Cookie" Serfaty Williams says

Sleeping Alone (Jersey Strong Book 5)

The love story of Alexandra and John. Alex is on the run from a husband who beat and rape her she run to Sea Girt, NJ. Sea Girt is a small shore town which is dyeing John has lost his family and is trying to save it he met Alex. Great summer read.

Nika says

meh.

Carole says

This is a good, basic romance to read. I especially like the references to the coastal surroundings. The

author's description of the East Coast makes me consider packing up and moving there myself. Good escape and the book costs way less than a plane ticket!

Darlena says

Sleeping Alone

What a lovely story.

Two people from different back grounds, each with their own heartache find each other and learn to love again.

Very enjoyable!
