### **Finessing The Plug** Treasure Malian , Jahquel J.

You know that one girl who has her future planned out to the T. The one that sets a goal and does everything in her power to accomplish it? That's Journee. Journee is focused on graduating college and attending Medical school. But, a level headed girl always has a turn-up girl as a best friend, and that's Zoie. Journee's life was planned and moving along accordingly until she and Zoie met Jonas and Lex.

Jonas, who is coming into his own, as the plug, after the death of his father, is focused on the money. He wasn't looking for a relationship. However, when Journee walked into his life doing all of the right things, one night in Vegas quickly turned into a whirlwind love affair.

What starts as two people passing time, turns into true feelings and love. Journee starts falling for Jonas and vice versa. Jonas has been burnt before by "love" so he tries to be cautious but falls hard for Journee. Will he end up getting burnt by love again?

Stephan is Journee's older brother, known as the fuck-up of the family. With a get it how you live mentality Stephan sets out to do what is natural for him. However, this stick up is different; it involves his sister. Will his plan ultimately get both him and his sister killed?

Love and loyalty is tested when outside sources begin to work against the young couple. While Finessing the plug, Journee falls deep in love with Jonas, and he ends up finessing her heart. Will the allure of a dangerous game be the demise of their relationship and one of their lives?

### Crissy says

This is my first book from this author and it definitely won't be my last. I enjoyed this book and the characters so much that I devoured it in one sitting. I loved Nas, faults and all. I really liked Journee too but how naïve can one person be. Yes, her brother was family but when family treats you like crap and you know they are using you, you don't put your life on the line for them. I thought she would have chosen to do the right thing by Jonas and Jaycee. Lex had that no BS mentality and in their game it's needed. I hated what happened with Zoie but she decided to play the game, she knew it was a lose-lose situation. Some parts of the story were a bit predictable but this was one story full of suspense and betrayal and ended with a huge cliffhanger. I can't wait to read the next book in this series. The one thing that stopped me from rating this book 5 stars was that it needs major editing but don't get it wrong, it was still a great read.

### Shakeria Sharie says

Journne was so dumb. She pissed me off threw the whole book. What kind would even ask his siter to do something like that? I don't know why she would help him. Waiting for part 2.

### Fayette Jester says

Love it.

This book was awesome. Can't wait for Part 2. Couldn't believe Journee was going help her brother. Felt sorry for zoie

---

### Twig718 says

Fyahhhhh

I began reading this book not thinking I'd like it.....boy was I wrong. Journey is a cool chic just trying to live right . She's compelled by her loyalty to her brother and her newfound love for her new man. She made herself a bad scenario by agreeing to help her fuck bit bro to set up her new man...and tho she's falling for him she continues to play out her plans of set up...this was a dope story can't wait to get to book 2

## **Felicia says**

### **Damn**

I don't feel bad for journee like damn I get I wanna help your brother but r u that damn naive that u thought he was gonna leave Jonas alive?

## **Torz&#x1f61d;Tha&#x1f4da;Junky&#x1f61c; says**

## **Tamia Reid Sturgis says**

### **Page turner**

I feel bad that Journee let her brother control her bu her father tried to warn her. Sad ending. Time to dive in part 2

## **sha'kia says**

### **Scandalous**

Journee is a spoiled good girl with ambition but a night out in Vegas with her bff Zoie spices up her boring world. Zoie and stephan are no good for journee but she has a good heart that may cause her pain with jonas her new love. Jonas has his guard up with journee because of the past but he trusts her but finding out she's not as loyal sets him off and the drama begins.

## **Christine mccullar says**

### **Wow**

Omg this was so good but Journee really pissed me off listening to her brother, I knew nothing but bad would come from that. Hope she's ok tho.

---

## **Denetta Banks says**

A good read, well written, drama, twist and turns. The author does a wonderful job keeping the reader interested and reading non-stop

---

## **YVETTE RIVERS says**

### **Whyyyyy**

Oh my God does because me and my feelings chillness Hac hoochie who Shada oh man this is just getting good I can't wait for part two so I have to move Ridona more distorted line is the bomb I love the characters especially your little girl but that Stephan is going to get it and I hope he keeps a good turn a good girl like that do that to his own sister damn fool out freaking stand

---

## **Nakia Williams says**

### **Scandalous**

These females are crazy in this book!! Zoie took the cake with the way she did stuff!! Can you say THOT!! Why is Journee so stupid! Guess I will find out in part two!!

---

## **Latoya Brooks says**

### **Great read!**

On point! Why did journey have to get caught in the mix. I hoped she pulls through and her and Nas could work out their issues

---

## **Kimmy says**

### **Love it**

OMG the tears want stop falling I'm so hurt by journee's actions ugh but I sympathize with her too. Praying all this gets better for her and it's a happy ending
