A Holiday of Witches Amanda M. Lee

The Winchester witches are back and better than ever. Spend five frightfully funny holidays with the Winchesters and the people who love them. This five-novella omnibus includes: Bewitched: Did you ever wonder how Sam and Clove hooked up? Find out what Sam was thinking when he fell in love with the sweetest Winchester. A Solstice Celebration: Spend a magical weekend with Marnie as she prepares for a big party and tries to control a mischievous Bay, Clove and Thistle. That's on top of reining in Aunt Tillie, which is never easy. Witchdependence Day: Follow Marcus during the Fourth of July weekend as he discovers someone who desperately needs help ... and what it means to call the Winchesters family. Happy Witchgiving: Chief Terry spends a fun-filled few days at the Winchester Bed & Breakfast when he's forced out of his home. He's excited to be part of the family - until teenagers Bay, Clove and Thistle think they've uncovered a crime. Merry Witchmas: Go back in time with Aunt Tillie as she tries to prove to a young Bay, Clove and Thistle that they didn't discover a body ... and also deliver the most magical Christmas ever.

Karen Halunen says

Wonderful winchesters

I had read all of these stories but thought I would revisit my favorite family. I can never get enough of them. I enjoyed them and laughed just as much as the first time I read them. Such wonderful stories I hope they never stop. Thank you.

Mike Lewis says

Extremely entertaining series

This is an extremely entertaining series. If you love the main books you were definitely love the short stories.. The short stories are from the point of view of different characters in the main books. You still have all the sarcastic and snarky with from the characters but they are from different times in the history of the characters lives. The short story is Filion a lot of the backstory and answer some of the questions that arise from different tidbits in the stories. If you love the series you have to read these.

Brian Davis says

Good additions

A series of holiday themed short stories about the Winchester witches and those in their lives, sure to be enjoyed by fans of the series. Not really a stand alone read, though.

Barbara Long says

I've enjoyed Amanda's Witches of the Midwest books. Tillie is hilarious.

These books remind me of the Harry Potter books except these are a family series. I would like to read about Marnie Winnie and Twilda growing up

Diane Spurlin says

Great Book

Really a good book. Love the adventures these girls experience. Hope to be able to read this whole series. I really enjoy this author.

Francie Mooney says

Love this author and her stories. I've read all of this series, love the characters, the plots and the humor.

Sandra Lopez says

After reading Any Witch Way You Can and Every Witch Way But Wicked, I was looking forward to this new book by Amanda Lee.

This is a collection of novellas centered around the holidays. I was looking forward to the snarky, candid, funny repartee of the Winchester witches, particularly those from bitter, old Aunt Tillie. I'm sorry to say that this collection fell short.

Most of the stories weren't even told in the POV of a Winchester witch. What I liked best about the previous stories was that they were told by Bay Winchester, the witch that can see ghosts. But, no, these didn't have that. There was only one story that was told in the POV of one of the aunts, but the rest were narrated by random strangers that generated more confusion than anything else.

"A Solstice Celebration" – This was the only story I loved because this one had good ole' Aunt Tillie. This one gave better insight to the Winchester clan as they prepare to celebrate their annual solstice celebration. However, it seems that this could be ruined by the presence of a lost ghost, something that only teenage Bay could see. Humor and mystery: two things that I love!

"Bewitched" – This was narrated by somebody named Sam, who has the same ability as Bay (they can both see ghosts.) Although this had the same witty puns and humor, this story mainly concentrated on the romantic interest between Sam and Clove. There was really no mystery. Okay, there was a missing girl from a teen party, but that's about it. Still, there was too much lag and not enough mystery, magic, or Tillie.

"Witchdependence" and "Happy Witchgiving", I admit, I didn't even finish reading because they were too much like "Bewitched"—told in the POV of strangers with the Winchester witches playing in the background.

So to rate this as a whole, I'd first have to rate individually:

1. "A Solstice Celebration" – 5
2. "Bewitched" – 3
3. "Witchdependence" and "Happy Witchgiving" – 1

So the average rating would be 2.5 stars. This book was such a disappointment.

Diana Blick says

Good collection

This is a collection of previously released shorts about holidays with the Winchesters at different times and

ages and with shifting points of view. Sometimes it's one of the boyfriends, sometimes Chief Terry or Aunt Tilly remembering when the girls were little. All in all it's a fun collection for the holidays that I enjoyed re-reading.

Stephanie Parker says

Love it

Oh, how I love the Winchester witches! I love the short stories, because you get to see things from a different point of view and learn a little more about the characters. The only thing I don't like is having to wait for the next book lol

Linda Levine says

Love The Stories

I just love this family. It is so much fun to see them in the flashbacks and in the present tormenting each other yet bonding over their mutual enemies. It is such a fun read. It is really great to get perspectives from the other characters like Chief Terry and Marcus who don't get as much attention.
