**El Camino Amable: Una Guía de Auto-Ayuda para Aquellos Que Creen en los Ángeles** Tom T. Moore  
Descubre y fortalece tu conexión con tus ángeles guardianes. Crea resultados benevolentes en cada área de tu vida. Este libro de auto-ayuda te volverá a poner en contacto con tus ángeles guardianes o te ayudará a fortalecer tus creencias espirituales. Tendrás más diversión y menos estrés en tu vida. Te asistirá para lograr cualquier meta que hayas establecido para ti en tu vida. Te ayudará a manejar esos desafíos importantes que todos experimentamos en la vida. Este libro incluso te inspirará para aprender más sobre el mundo y el universo. ¿Cómo puedo prometer todos estos beneficios? Porque yo he estado usando estos conceptos por más de diez años, y puedo reportar el éxito desde el conocimiento directo y la experiencia. Pero esta es una guía de auto-ayuda, eso significa que requiere de una participación activa de tu parte. ¡Lo que vas a leer en este libro es información única que nunca has visto antes! Este libro es para personas de todas las religiones y creencias — el único requisito es una creencia básica en los ángeles.

## **From Reader Review El Camino Amable: Una Guía de Auto-Ayuda para Aquellos Que Creen en los Ángeles for online ebook**

### **Nancy says**

I read this book several years ago, and Tom T. Moore's writings have been an important part of my life ever since. From the beginning, I found it easy to program my entire life with Most Benevolent Outcomes (MBO) as I read along. By the end, I felt a sense of accomplishment, and MBOs had become second nature, a regular daily practice which continues to this day. It is so easy and effective to make Most Benevolent Outcome requests as life events unfold throughout the day. I never need to be reminded to "pray", and I am constantly surprised with the results which are often "better than I can imagine, hope for or expect."

Besides his other books, Tom T. Moore has a free weekly newsletter that I follow and a monthly article in the Sedona Journal, all of which I love.

" I request a Most Benevolent Outcome that all readers of The Gentle Way by Tom T. Moore have most benevolent experiences with their MBO practice and that the results are even better than I can possibly imagine, hope for or expect."

Nancy W. Hassab

### **T.W. Fendley says**

I liked it, but found it more like a long essay with a lot of examples on particular ways to request the "Most Benevolent Outcome." I think it would be helpful to people of any religious/spiritual persuasion who believe in angels and desire help for themselves or others. Example: I ask that those who would benefit from this book will read it. :)

---

### **Mary Elizabeth says**

Another eye opener for me...going to read then next two in the series. Have begun to put his suggestions to use. Hope to avoid a lot of future doctor visits!

---

### **Diane says**

This is a very helpful book that works! If you try the exercise and do what is suggested you will be amazed as to the results.....

---

### **Amelia says**

I bought this book as a gift for someone, and I thought that I should check it out a bit first. She doesn't like self-help books, but loves angels. I wanted to see which side of the spectrum this falls on.

I would say this is not really a self-help book. Also, it is not a religious book. I don't even believe in angels, although I might say that I do now! Whether it is angels or the universe or me helping myself, something has definitely changed as a result of my reading this book.

I was planning to just skim it and make sure it wasn't a ridiculous thing to give as a gift. Instead, I read it from cover to cover, and found it to be fascinating! I am still going to give it as a gift though, and I hope she loves it as much as I did.

### **Bryan Fernandez says**

#### **Great book!**

I enjoyed reading this book very much. It is Very practical and full of examples. I finished it one day as I did not want to put down.

#### **I am Grateful**

I really liked the idea and the samples of how to use the requests for most benevolent outcomes. Also I appreciate the living prayer section.
