The Bigger They Are Kim Alan

This story contains sexually explicit content in the form of really, really hot man-sex and is intended for adult readers. It may contain content that is disagreeable or distressing to some readers. It was originally published as a free read as part of the M/M Romance Group's "Love's Landscapes" event on Goodreads.com

We met them in Mission: X— the adorable, bouncing bottom-boy and his big, bad Daddy. A romance that produces such a delicious couple is bound to be a scorcher. This is their story.

For years, Charlie kept a protective, but professional, watch over Wren. The sweet, surprisingly unspoiled, rich-kid just seemed to stumble unwittingly into trouble. But one day, called to retrieve a very drunk Wren from a college party, Charlie got far more than he bargained for when Wren— a suddenly very grown up Wren— revealed his surprising crush and his far too tempting body.

Wren lost his best friend, the only person he truly trusted, in one stupid, drunken moment of weakness. He was determined, though. He knew he hadn't imagined Charlie's physical response when he'd been pressed against him. It was just a matter of figuring out how to convince the older, bigger, stronger man— who tripped every single one of Wren's triggers— that he could be everything Charlie needed.

But a year later, Wren is losing faith, and he's beginning to spin out of control. Charlie is rapidly losing sight of the logical list of reasons he should stay away. Wren is exhibiting the needy kind of behavior that demands consequences. The Dominant in Charlie is becoming louder and more demanding by the day. A collision is inevitable. A hot, fiery explosion that will shatter everything on impact. But with a little help and a lot of luck, maybe— just maybe— they'll walk away more whole than they've ever been.

Note: This is a stand-alone prequel to Mission: X and, as such, Mission: X does not need to be read first.

Free from the M/M Romance Group's Love's Landscapes Event of 2014.

Highly emotional D/s story involving a young man and his driver, who becomes his "Daddy" as they finally figure it out and begin their life together, collar, lock and key included. The writing is explicit, but also shows the emotional connection between the two main characters extremely well, and includes a scene that really showcases how strongly these two are connected.

Very nicely done!

So yeah, this is like all kinds of hot. Part of the Love Landscapes, if you never investigate the pic's for it I encourage you to do so for this. It made me blush and I was pretty sure GR had cured me of that.

Not a huge fan of the 'Daddy' thing but it did start to sit easier with me as the story went on, by the end I just wanted Charlie and Wren to have a HEA. It worked.

This is so worth a read. Loves Landscapes is amazing. This is free and so why not have a look? Do it. ;)

[(Wren if you can't remember what you did--you aren't practicing safe sex! And the virginity issue actually annoyed me since it reinforces all kinds of patriarchal things that set me off--so you may not give a flying pig or love it.]

Well this certainly satisfied my daddy kink craving! I pretty much agree with everything every other review has said... prepare to be extremely aroused!!! There is ALOT of ass play and possessive daddy dominating and just a tad of humiliation/tormented emotions. All rather delicious really.

There was a build up to this relationship, which was good and once they got together it was pretty much all sex *shrugs*, but who cares :-D

Not a 5 star though because the reasons Charlie wasn't with Wren sooner confused me a bit.

Oh and it's free, so YAY!

Optimist ?King's Wench? & MANTIES Champion says

Welp, it's official. *Portlandia* has reached profound truth status.

All this grizzly bear, Charlie, needed was his little bird, Wren.
All together now... **D'awwwwwwww**

He relaxed completely, submitting to Charlie's unconscious bondage. He sighed deeply, ecstatic and safe and content to hibernate in his bear trap.

I've said it before, but I'll say it again. Bears and twinks go together like PB&J.

Wren is on the bratty side and yet another card carrying member of the anal V-card club. *I'm noticing a trend here.* Little bird has a pretty fierce Daddy kink working for Charlie, too. There's a lot to like about these two, but what I liked best was the way Charlie cared for Wren-insisting they go slowly, withholding his own needs to ensure Wren didn't hurt himself in a frenzy and the showering.

growls Oh yeah! The growling too!

Quite an enjoyable read and a great addition to the LL event. I think I like this author, but will you please give me a Jay story and maybe Devin too? Pretty please with sugar on top?

Oh, wow...That photo drew me in like a moth to a flame, and I was NOT disappointed. I could not tear myself away one minute from this very hot story.

Ok, it was not perfect, there were a lot of shy smiles, purring, and fluttering (but not related to assholes...) going on, and I got a bit annoyed since I prefer growls, stone hard faces and other similar descriptions.

But I got used to it quickly, oh so quickly, and the story sucked me in. It was so sweet following the two guys' thoughts and needs, and how I like stories with older brother/younger brother/Older brother's friend.

But the best part was, not surprisingly, Charlie's dick. And of course the long, lusty, smutty, precum-filled sex scenes.

Now I'm off to take a very long, and very cold shower.
After that, Mission: X.

So sweet...!

I had the plan to make a longer review. But since there are so many great reviews about it and I don't have much more to add, I'll keep it like this.

The GIF is summing it up quite correctly!

"Normal is overrated"

Tags: BDSM, spanking, discipline, Daddy kink, age difference, size difference, first time, multiple partners, multiple orgasms, rimming, cum play

See those tags up there? This story has earned every single one of them. HARD. I'm rating this **all of the damn stars**. ***twirls around***

DADDY KINK!!! *wiggles*

I wanted this story since reading Mission: X last year and boy did this one up the game. KimAlan (yes, I call her by one name), got smuttier and I appreciate soooooooooooooooooooooo much!

stares at story tags again and smirks

Charlie and Wren, bodyguard and spoiled rich kid...also a Daddy and his boy. And that anaconda of a trouser snake. C'mon you've seen that prompt pic. It lingers on the brain.

(j/k there's nothing gentlemanly in this story...*twitches*)

Wren, naughty twink that he is, keeps pushing the limits until his Daddy has to come claim and reign him in. Kinky, delicious, boner worthy and smutty deliciousness. Wren is just enough of a brat to make the story interesting and Charlie is possessive enough to make it work

And as usual, there are awesome secondary characters I'd love to know more about (Ace & Joe with a third search...Devin? I'm not making hints or anything but I'd love some writez on those guys)

And the sex in this story? Look at the tags!

Seriously:

shudders

Thank you to the author, the prompter (2 thumbs up) and the team for this wonderful delight of smutty romance!

P.S. KimAlan, I am not above begging for more stories, please. You need a prompt? I can give good prompt. Please more.

**3.7 Stars - Aahhh, sweet and smexy erotica!
Irresistibly tender romantic...oddly enough.**

Daddy kink...

Most days NOT my cup of tea. I usually try to avoid romances with too much D/s, BDSM, kink or rough sex-club playing. ~ Then I just saw this one there in my iBook —without a clue why or when I downloaded it—and started to read.

A naughty good short unplanned break from another read. This was fun, heartwarming and yummy hot. - A kinky gem for me.

Charlie has for years been this protective bodyguard-driver-babysitter-watch over Wren, a young sweet, surprisingly unspoiled, rich-kid. A boy who now is an adult but still just seems to stumble unwittingly into trouble. Night, sex and drinking trouble. A young man who wants a hard hand a savior.

Charlie is in for the D/s lifestyle but promised a long time ago, his friend *Devin*, also his boss and Wren's dear big brother, to not touch or even 'think' about Wren in that way.

Then when this charming and beautiful "boy's" life is beginning to spin out of control doesn't big, tough "Daddy's" logical list of reasons to stay away works any longer. ~
'Wren is exhibiting the needy kind of behavior that demands consequences. The Dominant in Charlie is becoming louder and more demanding by the day. A collision is inevitable.'

'He loved being dwarfed by the massive bulk of a much larger man. He loved being held down by someone who could crush him. He loved it. With the strangers, it was the added threat that contributed to the thrill. But with Charlie, it was being protected and possessed and for some reason, knowing the amount of control and restraint that it took for a beast-sized man to be gentle... Wren sighed. He was lost.'

The Bigger They Are is an erotic 100 pages freebie novella from [M/M Romance Group's](#) (view spoiler)

‘Wren couldn’t deny that this totally did it for him. He relaxed completely, submitting to Charlie’s unconscious bondage. He sighed deeply, ecstatic and safe and content to hibernate in his bear trap. Wren snickered. Bear trap.’

Sometimes it is actually those things, you believe shouldn't be your thing, that's actually becomes the most fun. It's new, fresh and surprisingly interesting. In any case for you. So felt this short story to me.

I liked these character, I liked what they did and my heart felt for them. A perfect softish 'daddy-kink' glimpse for a nosey M/M reader. - Kim Alan is a writer to keep in mind.

I LIKE - a "ummm, aahhh, oohhh" - ..kind of book!!!

Otila says

This was so damn hot!

A sexy twink and a hot leather bear (with a massive cock) get together and have some hot sexy times- and some sweet ones too.

And that scene in the club - hot damn! I know, I said that already but it bears repeating.

4.25 true smexy glory stars!

I was forced to remove two of the images from the original review because the review was flagged by the GR bigoted censorship machine. See below.

Some may complain that this story has too much sex.

Some.

But not me.

How could Kim Alan do the prompt image justice without a smut fest throwing a party?

Wren is 21, a former teen actor, rich, and acting out because he can't have the one man he wants: Charlie, his one-time driver and bodyguard, who still works as head of security for Wren's family.

Charlie is older than Wren; how much is not specified, but I imagined him around Wren's brother's age, so maybe 30. Charlie is a Dom, and Wren wants to be his sub so badly. He wants his Daddy to hold him and make it all better.

Charlie has always wanted Wren, but isn't willing to cross the line from professional to personal.

When Wren goes a step too far, Charlie decides he must be punished.

gulp

Prepare to be aroused. VERY aroused. This lovely kink fest includes: Daddy/baby kink, licking, sucking, bondage, group play, spanking, belt whipping, a cock cage, and (view spoiler) penetration by a very, very big cock.

Wait, I may be forgetting something....

smirks

This is an all-around fun story with some angst and feels, one naughty twink, one frustrated Dom, and so much smex and hotness you will need a bucket of ice water to cool down.

Go on: read it. You KNOW you want to.
