Chris Conley says

This was the best issue of this yet, but wow is Hulk annoying.

Zoe's Human says

The relationship between Devil Dinosaur and Moon Girl is starting to solidify. Also the Hulk is annoying. Is he always annoying or is that some special patronizing thing he does for children?

Solace Winter says

This was the best one yet. Lunella is a cute character who is frustrated as she's trying to explain things, while Totally Awesome Hulk is a mixture of greatness, and of course Devil Dinosaur is protective, tough, and let's face it, if he wanted to destroy the whole school he would have. There's a certain intelligence there and he's actually quite sweet. Just when you are big and look dangerous people will treat you that way.

Really enjoyed this issue! It was over with so quickly though! I loved getting to see Lunella interacting with heroes and it was interesting that the Hulk was chosen. Not too sure I enjoyed his character as it was quite a bit different to what I'm used to. Regardless, this was a solid issue.

Pick it up, give it a go and enjoy! >(^_^)<

First off.. I had no idea that Totally Awesome Hulk is Kellan Lutz lolz. Ok... maybe it's not really him but if there was he could be it.

Whyyyyyyyyyyyyyyyyyyyyyyyyyyy!!!?!! Why can't Hulk leave Devil alone? The ending was like when Dany put her dragons in that cave with the boulder.

UNCOOL!!!!

Jessica says

Hulk has landed on my S*&\$! list. Who

- A) Tries to fight a friendly dinosaur
- B) Tries to verbally spare with an amazing smart girl
- C) ARRESTS HER DINOSAUR!!!

The look on Devil Dinosaur face when he was taken away....I WAS LIKE NOOOO!!!! WHERE'S MY NEXT ISSUE. HOW DARE YOU LEAVE IT LIKE THAT!!!

I'm still mad because the Hulk KNOWS that ERRBODY is always AFTER HIM shooting him and stuff and calling him a monstrosity and the NERVE of him

Well I never!

Shannon says

I like this series. While Lunella does tend to get kind of whiny, I have to remember that she's only nine. I'm not a fan of the Hulk (or Totally Awesome Hulk, as he calls himself) and he doesn't make me like him any more by being condescending. Also, he beat up Devil Dinosaur : (

(I'm not super familiar with the Hulk-verse so I didn't know until I looked him up that this Hulk is not Bruce Banner.)

Nicole says

I love this comic but I feel like I should be passing this along to a little girl or something. It's perfect for younger readers.

Andreia Pereira says

In this issue the new Hulk appears to "save the day". It was my first time reading comics with Amadeus Cho and I really dislike this new Hulk.... not just because he kicked Devil Dinosaur's butt, but he's super cocky.... c'mon, he seems so superficial... hope my good old Hulk wasn't replaced by this.

Amber says

Man, are my emotions going haywire over this series. I love Moon Girl so much, and I just want the best possible thing for her. She constantly worries about that Terrigen thing that could set her Inhuman abilities, but a small part of me hopes that's exactly what happens - then we'd have a lot more of her to come! And Devil Dinosaur is such a big sweetheart, I just love them together. Oh, Moon Girl, your life is never going to be normal.

A question to the community: Why is the Hulk such a big jerk? Where's my sensitive, conflicted cry-baby? Hyuhhh!

I hope this series runs forever

Rainey says

I don't even know what's going on because I'm so mad at everyone for ignoring this brilliant child.
