In My Head

J M Storm

In My Head J M Storm

"Sometimes I wonder if there are others like me. Who feel everything and everything has feeling."

In My Head, the debut release of one of Instagram's most popular poets whose writing has been liked by millions, dives below the surface of love, loss, and life.

J.M. Storm has crafted a haunting yet hopeful poetry collection that is meant to be felt as much as it is read.

Jessica Bucska says

Favorite book to have ever been created.

Lunadeera says

Absolutely in love

Lorenacanalesg says

Mi favorito del mundo entero

Bella.Hamp says

This book is so damn good and so accurate to my life.

Natasha Varnham says

Wow this book is so good, I'll be reading more works in the future by j m storm

Chanel says

I needed this book, and I know many others who will find a part of themselves in these pages as well. Excellent life lessons and helpful perspectives that will ease the storms in one's life. Written in a simple format that will reach all ages.

GetShelved says

If you currently follow JM Storm on Instagram and truly enjoy reading his posts, you will love this collection. He speaks of help and healing, of moving on and letting go, of falling in love and loving yourself.

*if you're going to kiss her,
then pull her close and mean it.
kiss her as the moon does the sea.
weightless and yet the deepest*

parts of her are moved.

JM Storm typically writes pieces around this length, so if you order this book and don't realize what you're getting when you order, don't blame the writer. I personally enjoy longer pieces, but this was still a beautiful book of prose that was both comforting and uplifting. No other writer is like him.

This book contains JM Storm's heart that just ebbs off his words like little butterflies. A soft and gentle caress.

*maybe that's all we need.
to know that someone
thinks we're worth the
bad times. to know we're
set apart from the others.
to feel a hand reaching
for us in the dark.*

Pari Rajulu says

This book has been a lovely read. I'm glad I bought it.
