*****Warning: HARD contains twenty volumes full of sexy billionaires, controlling alpha males, steamy sex, and passionate romance from New York Times bestselling author Kelly Favor and Hannah Ford as well as other top romance authors.*****

Ordered by Kaylee Quinn

Bought and paid for. That's what I am. Nothing but a plaything for billionaire Thayer Noble, picked off a website like some kind of product.

He's sexy as hell, with a clenched chiseled jaw, and the most sensual, brutal lips I've ever seen. His punishing mouth never bends into a welcoming smile but tugs into a furious frown. His indigo eyes are always blazing with fury. His heart is stone cold.

When he sees me, he tries to turn me away. But I'll do whatever he wants in order for him to let me stay.

Cook his food. Clean his house. Let him use my body any way he wants....

SNATCHED by Harper James

Who the hell answers their front door wearing next to nothing and showing off every inch of their chiseled body, leaving nothing to the imagination?

Finn Thorne, that's who.

Recent transfer, new quarterback, rumored bad news, and my new tutoring student.

He's cocky as hell, smart-mouthed, and thinks he owns me the way he owns his opponents on the field.

But he's wrong.

I have plans. Goals. And I'm not about to get deterred by some sexy football player who screws anything that walks.

Except...before I know it, his cocky, dirty mouth is whispering nasty things in my ear.

And soon our tutoring sessions are becoming less about me teaching him math, and more about him teaching me how good his mouth feels between my legs, how to get him off, how hard and fast he can make me come.

I'm determined not to fall for him.

But off the field, Finn Thorne only plays dirty...

His Property by Hannah Ford

Whips. Chains. Punishments.

These are my world now, ever since gorgeous billionaire Liam Rutherford pushed me into the back of his expensive black SUV, forcing me to live with him at his fancy penthouse apartment in New York City, holding me as collateral for my father's gambling debt.

He claims I don't have to do anything I'm not comfortable with.

But that's only because he's convinced he'll be able to break me down, to make me beg for his whips and chains, his rules and punishments -- and all the other twisted, filthy things he's into.

His chiseled abs, his intoxicating smile, his tongue pushing past my lips, his nails digging into my back... they're making me lose my mind. I am a slave to his every desire, his every want, his every wicked whisper.

The Billionaire's Rules by Kelly Favor

Twenty-one-year-old Ivy Spellman has always played by the rules – get good grades, stay out of trouble, and avoid bad boys at all costs.

But when she takes a temp assignment at a multi-billion dollar drug company, she can't help but become intrigued with the sexy and ultra-demanding CEO, Cullen Sharpe.

Cullen Sharpe is used to getting what he wants, and his dark and damaged desires are locked on Ivy. Her good girl innocent routine is enough to drive him over the edge, and after Ivy makes a mistake at work, he senses an opening to teach the shy temp the pleasures and seductions of being bad...

Loved it!

Great stories with lots of suspense and romance to keep you entertained for hours. Expecially the Naked book, that one was amazing.

Forever

I enjoyed this story tremendously. There was so much energy produced with the ends and outs of a truly convincing love story. I would definitely recommend this to anyone who really could hang in to the end with Elijah and Caelyn.

Good, for a while

The first several books in this set were fairly good. Good sex scenes, fair story lines. Fair romances, hea's. Some, obviously are better than others. Some, like the 4th one, started out so bad, with the h saying things like, 'shooty shoot shoot' that I just simply couldn't finish. But, most of the first books in the set were at least ok.

The 5th one was pretty bad, but I did finish it. The 6th, I made it about halfway through, before giving up. Then, we come to number 7. It's not bad, if you're not offended by BDSM. But, here's the best part...if you want to know how it ends, (this is a cliffhanger) you have to buy another book. I did, cause I figured I'm already in this far. Guess what? It doesn't end either, (another cliffhanger) and the next book, (or possibly last, who really knows?) hasn't been released yet. Ok, enough of that one for me.

Now, I start on book number 8...the first of book number 8. Guess what? Yep, another cliffhanger. If I want to know how it ends, I can buy another book. I don't want to know that much. And with that bit of nonsense for a second time in this set, I am done with this set.
