Tea Rinsing Secrets for Healthy Hair Growth Abi Faniran

All you ever wanted to know about using tea rinses to achieve healthier and longer hair packed into this handy resource. This third book in the Healthy Hair Care Series provides an in-depth break down into using tea rinses for healthy hair growth. The book features over 30 tea rinses recipes for all hair types to help with a variety of issues related to hair thinning, dull hair, scalp issues, breakage, hard to detangle hair, dry hair and curl definition challenges among others.

Additional information covered includes the different types of tea and unique characteristics, the best kinds of tea for rinsing, dyeing hair with tea rinses, tea rinsing & Ayurveda, tea rinsing and henna and much more.

Customers also get discounts on all the other books in the Healthy Hair Care series as well as free hair growth coaching.
