This Is A Standalone

There's lust, and then, there's love.

There's trust, and then, there's deceit.

There's Makyla, and then, there's Demiko. Two people who grew up in two completely different worlds, but somehow, are destined to be together. In this enticing story, you'll meet Makyla. An ordinary girl from the suburbs of Norton Shores, MI, who attends Wayne State University, in hopes of becoming a Radiologic Technician. Makyla is quiet, sweet, and beautiful, inside, and out. Every man that she encounters is well aware of that, and tries their luck, hoping to be the one to have her on their arm.

Demiko is handsome, charming, and mysterious. When it comes to women and relationships, Miko is ruthless. Every woman that crosses his path, takes a chance at trying to break down his brick wall he has put up but fails every time. When Miko bumps into Makyla in a compromising situation, at a house party, he quickly bails her out, thinking nothing of it. But when their eyes meet, it ignites an indescribable feeling inside Miko.

No matter how hard you try to run, you can't outrun what's meant to be. In this standalone, there will be lust, love, deceit, murder, and mayhem. When the dust settles, will these two be together, and love each other unconditionally? Or will the thought of love intimidate them so much, that they miss out on the best feeling on earth?

**My All**

I just love the standalone novels. This story had me in tears and laughing at the same time. DeMiko was such a sweetheart. I was so glad when Makyla finally gave him a chance. And Camilla started to get on my nerves being so negative about DeMiko. However, I wish someone had beat Cali ass. She got off to easy for me.

**Makayla n Demiko!!!!**

I truly loved this book. My first read from this author n I was not let down. In the beginning it was very sad how Kayla went through so much in her life and especially how her father treated her frfr all bcuz her mother

---

died given birth to her. Her mother's death wasn't Kayla fault God just felt it was her mother time. I hated what zae n boogie did to her but they definitely got what they deserved tho. Cali was a piece of work will get hers. I'm glad Kayla found love in Demiko. He was dere when she really was low n needed a shoulder to cry on without him saving her she would been gone. I'm glad everyone got their happy endings.

#### **Heartless Savage**

I was so pissed with Demiko that he took so long to get his Lady. Zae, Boogie, and Cali was wrong for what they did to Kyla. Camilla was getting on my nerves at times. I wished Kyla would of beat Cali a\$\$ again. Her father was a piece of sh!t. Glad her Mother wised up and left him.

Characters were so entertaining, interesting and intriguing. They were likable, realistic and believable and i could get enough of them. This book had it all action, drama, deceit, envy, jealousy, hatred and secrets throw in the lies and suspense made this standalone an a amazing read. Loved the chemistry between Makyla and Miko regardless how hard they tried to fight the attraction in grew stronger. What's meant to be is meant to be. After all the obstacles their love prevail and was unconditional. Awesome job Khadijah J.
