The Real Dopeboyz of Miami 2 Jenica Johnson

Now that Memphis has the girl of his dreams how will their relationship work once her sister Indigo finds out? Will India really pick him over her longtime boyfriend Jerrel? Memphis still has a few trust issues with India and will put her through a few test to see if she's really down for a real dope boy or is she just side piece material.

Miami and Simone's situationship is crumbling because she can't be truthful about what she's been doing behind closed doors. Miami puts some space between them so he can get his head back in the game but Simone pulls at his heartstrings to draw him back in. Miami is still in the blind about Simone and Teagan. Who knows what will happen when and if he finds out?

Missy is making some noise to let Maniac and anyone else know that she's the boss and she runs the city of Miami. Her love for him will have her making some dumb mistakes that could cost the family their whole empire. Missy has to step her game up to go against the man she once loved and birthed a child with. In the streets, there is only room for one boss. You either get eliminated or you dominate.

Heat in Miami

Things are really starting to get up. Simone is really starting to work my nerves. She wants to have her came and ice cream too. You can't keep playing with people's hearts and experience t it to end well. And to top it off they are brothers. Really? I can't wait to see what part 3 is about.

Woooooooh babbby!!! This series just keeps getting better and better. All I know is I can't stand Simone, she needs her butt beat. I'm glad that India finally got it together because if she continued to be stupid I would've been so mad. Memphis is bae and can do no wrong ? Miami well... hopefully everything works out for him. I'm glad that Kerri wasn't one of the stupid females, hopefully things work out for her. Can't wait to see how this ends.

Miami!!!!

I love Miami....he's level headed but reckless at the same time...I wish he would've went to North Dakota though....Simone is trifling to say the least....I'm hoping Teagan isn't dead and I hope Maniac gets what he deserves snitches get stitches...Memphis I love also he's laid back but deadly I think in part 3 we are really going to see his deadly side at least I hope so

Ashley Phipps says

Loved it

Mannnnn part 2 was so good. Man Miami is losing it and it's all Simone's doing she messing him up bad. Memphis is bae lol, I just love him and India together. I hope Teagan and his family is ok, I don't care for him but he ok lol. That Maniac is something else, selling out his own son. I hope he gets what he deserves. Can't wait for part 3

Great Read

Another banger i can't wait to get closure too. Simone was a little touched herself. Indigo we knew her ass was crazy. But that Simone was done kind of special. I am ready to see howthis all plays out with Maniac, Miami and Memphis. Is Teagan really dead?

Latoya Samuel says

Very Good

I am in love with this series. I would definitely recommend it to my friends that are into Urban Lit. I am definitely feeling Memphis. I wonder if Indigo is bipolar. Her condition is never made clear. This is a scandalous bunch. Everybody seems to sleep with everybody else. They are definitely keeping it in the family. Miami should have kept his a as in the plane. I cannot wait for the next installment. Looking forward to it. Hopefully soon.

????????

I feel bad for Miami, but it was bound to come out about Simone and Teagan ass. I dunno if I believe that Teagan is dead tho?. I got my fingers ?? that India is solid. I hope Missy, Memphis, and Miami come out on top because Maniac needs to take the "L". I so anxious to see who Simone's baby daddy really is?.
