Manisha says

Interesting way to look at things...makes you go HMMM?

Merima Smajic says

These books (there are 3 of them as i recall) are just so wonderfully refreshing and engaging.

Bonnie says

Very informative and helps you look at the world with a different slant to it.

Annie says

I actually listened to this one on CD. Very interesting and fun.

Suzy Stanford says

Hmmm - very interesting

David Monson says

Love this stuff!
