## From Reader Review Malgudi Adventures for online ebook

### Sachin Kamboj says

!!!

---

### Sudhindra says

R.K. Narayan had been one of my favorite authors. Especially his famous Malgudi Days. The day I saw this book in my library I craved to read it. It turned out to be nice. Decent stories with interesting twists.

Thanks!

Sudhindra, Chennai

### Arjun says

Wonderful book both children and adults.

It's a extract of small parts from RK Narayan's famous books and short stories. We will really enjoy Short stories more than short extracts, as it will complement the story.the book really take us on a ride to the Vinayak street of Malgudi on horse jutka with just eight annas expense only.

---

### Rushabh Shah says

Quite an interesting introduction to the Malgudi Stories. Reading it at a very young age, R. K. Narayan didn't disappoint me then, and doesn't disappoint me now.

---

### Rudra Kapalin says

R.K. Narayan is a legend. His work inspired me to break all boundaries while letting the story flow

---

### Sumalatha says

its relly an amazing book which makes us not even know the time spent on it

---

### Malathi says

The best book I read when i was a child ! :) loved it ! seeing the cover art now brings a nostalgic feeling !

---

### **Nitin says**

Every green... always love any write up by R. K. Laxman and specially on Malgudi. Brings back childhood memories :)

---

### **satish says**

R.K. Narayan has a great way of telling a story. Personally I greatly identify myself with the characters of his stories. it brings nostalgia and reminds of me childhood fantasies.

---

### **Kandalla Vamsi says**

It would have been better if the book was renamed as Malgudi short stories instead of Malgudi adventures. The book has a misguided title.

---

### **Shaiju Mathew says**

R K Narayan has always been an inspiration and this book is a great read. A must read!

---

### **Kalyan says**

RK Narayan's Malgudi Days, Available in Flipkart: <http://fkrt.it/XIcn~!NNNN>  
Available in English, Marathi and Kannada languages , Books and DVD

---

### **Aditi says**

\*\*\*This review contains the mildest of mild spoilers\*\*\*

This book had chapters from the author's books and shorts, and while all were entertaining, none seemed to be written particularly for children. The funniest example of this was in the chapter from the story of the escaped tiger (narrated loosely from the tiger's POV :D), the huntsman once intoxicated on rum keeps using the phrase "s\*\* of a b\*\*\*\*", and another character asks him where he learnt that rare phrase.
