Fur-Gotten

Karina Roma is a dare-devil curvy woman who fell hard for a sexy, rich bear shifter. Too bad the relationship was one-sided. The only thing she has going in her life is her job and her friends. When her boss signs her and her friends up for a bachelorette auction, this curvy girl is ready to quit, but her friends talk some sense into her. How hard can it be to get on stage and strut her stuff for charity?

Fur-Given

Julie Durante loves every single one of her curves. So when she met a hot as heck bear shifter who loved them too, she was more than happy, for a little while. A year after their break-up, she finds herself on the stage, being auctioned off and bought by the grouchy bear. Things couldn't get worse, right? Wrong.

Three short hot stories.

Three hot were bears, triplets all have their own book, with their own woman who dumped them. But now they want her back and they have thought of something so they couldn't say no.

All stand alone books, but great together.

All hot but different stories.

Great shifter stories. Liked them a lot.

Looking forward to read more from this writer.

Three very sexy, very rich brothers who are bear shifters have screwed up big time and lost their mates. Now as a last ditch effort of desperation they arrange for the three women who are best friends and work for the same charity to be pressured into a charity auction with them up on the auction block... Now Ash, Ethan & Rafe have to pull out all the stops to get their women back and prove they are meant to be together. Penny, Kira and Julie are curvy, sexy women who are independent and know what they want but will not back down to the big bad bears... Misunderstandings and miscommunications have kept these mates apart for to long time for the men to make it right and win back their women..

Hot!

Love Milly Taiden's books!! It's nice to read about confident, sexy bbw who get the "dream" guy. This set

contains 3 interconnected, though readable as standalone, stories about the sexy bbw and their bear loves. Short story/novella length for a quick read. The writing is hot without being over the top raunchy. I mean is there really too hot when it comes to shifters?!?

Picked it up as a freebie so thought why not? If you like really quick reads then these are perfect for you. I tend to prefer mine a little longer so I get more developed characters but overall these were ok. These were 2nd chance stories. I really liked that it wasn't the same issue that needed to be resolved for each different couple. It was great seeing the confidence of the leads, but I doubt I'll continue with the series due to shortness of each book.

Furbidden: BBW Paranormal Shape Shifter Romance Furocious Lust Shorts Book 1
Bachelorette Auction... oh heck no!

Talk about my biggest fear. The world had better hope our fate is dependent on me standing on a stage being bid on. Im way to much of an introvert for that business. Seriously though these new smut shorties are going to be great. Milly Taiden seems like she is just cranking out books one after another. i wish i had her tenacity. This shorty is great. if your looking for a short read between appointments or just have time for a short read this will fit a great number of needs. Read it you will not be sorry. Sexy steamy and amazing. well done Milly Taiden ...well done.

Fur-Bidden boxed set

This boxed set is about wealthy bear shifter triplets. Their mates left them for different reasons. The girls are Penny, Kari and Julie. They work for a non profit raising money. Their boss has signed them up to be sold at the bachelorette auction. Penny makes arrangements for a co-worker to bid. You know they say the best laid plans..... surprises galore are revealed to each of the girls in different ways. I loved this set.

Disappointed

This is the first time one of Milly's books has left me down. It was rushed and just felt forced. It did not flow smoothly. It was so disappointing. Not a worthy read

Contina Lundy says

Enjoyable

I truly enjoy the realness of her women. As a BBW , I have been searching positive, bold, sexy characters that I could relate to in books. Finally, found that in Milly Taiden books. This volume was a quick yet enjoyable read for me.
