April says

Fantastic book for kids! So imaginative and creative. Easy read that children will find delightful!

Dr. Seuss is always brilliant! His stories and rhymes are fun and entertaining! Some of my all time favorites!! Such a great way to entertain children and get them interested in reading!

Gavin says

Contains:

The Cat in the Hat, The Cat in the Hat Comes Back and Dr. Seuss' ABC.

Written in poetry, the kids love Dr. Seuss's books and these three are three of the best. The ABC is also instructional and fun.

If Dr. Seuss wrote it, I read it. I don't know how I'd have ever learned to read without Ooblic.

Sandy says

In this Seuss book the cat even juggles the talking fish who does not like the up, up, up game with the talking fish who nearly drown and falls out of the fish bowl..go figure...

Noelle Maryam says

Very funny. Easy to read.On a rainy day two bored kids sit by the window and suddenly the Cat in the Hat appears and is full of mischief!

Marilynn Halas says

Dr. Seuss continues to ignite a love of words, story and laughter watching parents try to keep up with his good-natured tongue twisters and reassuring prose. Just think, before we had Dr. Seuss we could only "See Jane run. See Spot run. Jane and Spot run fast." Riveting for sure but lacking a little in the belly laughs department.

Gabrielle Sandford-Marshall says

This book, combining three of Dr Seuss' texts is a lovely book for the children to read independently as well as the teacher for whole-class reading. With texts such as Dr Seuss' ABC, the children can enjoy reading or listening to his texts.

Sue says

Three great Seuss classics in one: The Cat in the Hat, The Cat in the Hat Comes Back, and Dr Seuss's ABC. I am delighted to add this to my collection for visiting children. The Cat in the Hat books feature a remarkably naughty cat who makes life chaos for the two children, but happily restores order before their mother comes home. Great fun.

Tikiri Herath says

Read as a child and then as an adult. Think I laughed and enjoyed this more as an adult! :)

Vera Violet Vinn is very very very awful on her violin.

This is a compilation book that contains *The Cat In The Hat*, *The Cat In The Hat Comes Back* and finally, *Dr Seuss' ABC*.

Now there are multiple ways of reviewing it, but firstly I'll start by taking each of these books separately.

The Cat In The Hat

This was Dr. Seuss' first book and I say it's pretty good. The art is fantastic and the colours are very well used. Now, in comparison to *How The Grinch Stole The Christmas* this one falls pretty short of my expectations. Maybe it is wrong to compare the two, but, unfortunately, that's what I've been thinking while reading. Anyway, the book's done its job and made me think about how I used to watch and love cartoons when I was a little child. Oh, how'd I go back to those times!

The Cat In The Hat Comes Back

Much to my surprise, I actually liked it more than the original. Maybe it is a peculiar thing to say, as many have accused this book of being repetitive. Well, I found that exact same repetition to be quite funny and cute. The art was again up to par and the illustrations likewise.

Dr. Seuss' ABC

Interesting approach to the alphabet. I liked it a lot and you can really see that he was inspired. Some of the letters really made me laugh. Truly a fun way to learn!

All in all, it's a very good pick. I enjoyed it thoroughly and I can only hope that one day I'll see my children pick it up from my shelf.

Aisha says

If I was the fish I would have said to the children "You stupid, I'm scared of this cat, I'm a fish, it will eat me!". And Thing One and Thing Two created such mess!

In the second story it tells you the alphabet and tells you not to be very bad and so I don't really like much of the stories because it's telling you things. And in this story why didn't the cat think about it in the first place for the tiniest cat Z to open his hat and take the vroom out of it's hat?

In the third story it is very funny because it says "Big H little h hungry horse. Hay. Hen in hat! Hooray! Hooray!".

Ruguruw Nerima says

I liked the book, I always suggest it for birthdays or parting sessions.
