## From Reader Review Kare Kano: His and Her Circumstances, Vol. 12 for online ebook

### Izlinda says

An interesting conclusion to the tension between Tsubasa and Kazuma. The fact that Tsubasa couldn't hear Yin and Yang's music - I wonder how much control that took... I also like the admission of the different type of love they felt for each other. Safety is such an important thing when it comes to your heart. Why would you let someone make you so vulnerable?

---

### Nidah (SleepDreamWrite) says

Good volume.

---

### Sarah says

Super cute. So much nostalgia!

---

### Nikki Kelly says

A love story that revolves around highschool students but remains interesting to span 20+ volumes. The art is unique and comical.

---

### Starbubbles says

such a nice ending to this arc. it really kept up my hopes that the series won't end up being some big rain cloud, down pouring on any possibility of any happy feeling ever appearing.

---

### A.M.G. says

Actual Rating : I don't know, but it's less than 1, anyway

Incest. Complexes. And then a huge leap forward that makes no sense whatsoever. And, of course, absolutely no mention of the main characters. \*sighs\* One more volume like this, and the rest of the series is going into the trash bin.

---

### **Grizelle Rodriguez says**

This book was actually pretty interesting. It is comedy and a romance. It is about a guy who falls in love with his stepsister and he leaves school to pursue his music career. She thinks that he left her and chose music over her, but in reality all his music was about her. She is devastated and tries to forget about him. In the end she goes to one of his concerts and she realizes their fate. They were meant to be together. I enjoyed reading this book and I thought it was a bit creepy that they were sort of related and in love. It was kind of like Romeo & Juliet.

---

### **India Stoker says**

Otro tomo estupendo también dedicado a Tsubasa y Kazuma y también nos cuenta un poco la historia de Rika. Estos dos últimos tomos (11 y 12) están protagonizados por secundarios de la historia, cosa que se agradece y que me ha gustado mucho, porque tanto tomo centrado en Yukino y Arima ya empezaba a cansar.

---

### **Indah Threez Lestari says**

#Program BUBU

Pertama kali dibeli dan dibaca pada bulan September 2005.

---

### **Lynn says**

Today's post is on Kare Kano: his and her circumstances volume 12 by Masami Tsuda. It is the twelfth in her long running series so you need to have read the first eleven to understand the story. It is 208 pages long and is published by Tykoopop. The cover has Ying and Yang Kazuma's band on it. There is no language, no sex, and no violence in this volume. The story is closely following Tsubasa and Kazuma for this volume. There Be Spoilers Ahead.

From the back of the book- Tsubasa's never had much luck with guys--the ones she likes never feel the same way about her. When Kazuma drifts out of her life and focuses on his music career, Tsubasa's heart is broken yet again. Is this tender teen even capable of being loved? Does a rising pop star have room in heart for love and music? For these lovelorn siblings, the answers lie in song.

Review- Still more about Tsubasa and Kazuma but after this volume we go back to Yukino and Siochiro. Tsubasa loves Kazuma and he loves her but they do not know what to do. Kazuma feels that Tsubasa just loves him because he is safe. That she does not love him the same way that he loves her. But of course Tsubasa does but she is just scared because it is a grown-up feeling and that scares her. They work through it and are engaged at the end of the volume. The real important thing that happens is the time jump. We are going to be continuing the story at the end of high school. I have no idea where this is going to go after because it will not be a high school romance for much longer. More drama to come.

I give this volume a Five out of Five stars. I get nothing for my review and I bought this book with my own money.
