**La Barbe Bleue** Charles Perrault , Jean Claverie (Illustrator)

Blue beard is a French literary folktale written by Charles Perrault. The tale tells the story of a violent nobleman in the habit of murdering his wives and the attempts of one wife to avoid the fate of her predecessors.

Charles Perrault (12 January 1628 – 16 May 1703) was a French author who laid foundations for a new literary genre, the fairy tale, and whose best known tales, derived from pre-existing folk tales.

The illustrations were designed specifically for little children and family reading. Your kids will love the Book!

## From Reader Review La Barbe Bleue for online ebook

### Anastasia says

\*Read for class.

I'm writing a paper on transformation of this fairy-tale's plot in more modern literature, so I obviously had to read the original first, although I knew the basic story.

---

### Laura says

Madre mía...un cuento así ni Disney lo podría suavizar!

---

### Anna K?avi?a says

Bluebeard (La Barbe bleue) was first published in 1697.

The legend of Bluebeard is traditionally associated with two infamous men Gilles de Rais and Conomor

In this version the wife asks for her sister Anna to warn their brothers that her life is in danger.

### Ale says

[ (hide spoiler)]

---

### Carina says

Isto foi, no mínimo, macabro.

---

### Christie K.Rowling says

**" La curiosidad, teniendo sus encantos, a menudo se paga con penas y llantos; Es placer hartamente menguado y el precio que se paga es siempre exagerado."**

---

---

### **Sara M. Abudahab says**

I read this because of the reference from "Women Who Run With The Wolves"  
Very confusing to read, was the moral of this story not to be so curious??!! or that its okay for a woman to live in a house where she's not allowed to open one room just because "her husband" told her not to??! or that praying alone can solve our problems???!  
so so bad for kids!

---

### **Abby says**

Mi cuento favorito por siempre y para siempre.

---

### **Ricardo Flores Sarmiento says**

Un cuento para niños de otros tiempos. Es un libro que contiene una interesante trama de intriga, amor y muerte. Sin embargo, contiene también una carga de machismo y sumisión. Ya no lo recomendaría para niños sin explicarle antes el contexto de escritura del libro.

---

### **Amalie says**

This one is a bit of a gruesome fairy tale so I don't know if I'll buy this as a gift for kids. If you read this for your child as a bedtime tale, that's just inviting nightmares.

However, as cultural artifact it's a of great interest, folktales always provide a glimpse into the environmental and social context that generated a culture.
