Darkest Hour Catherine Bullard

Elsbeth couldn't imagine just how much her life would change once she was turned into a vampire. Now all she can think about is quenching the unstoppable thirst while trying to adapt to her new life.

And there is another problem: her infatuation with Thomas, the gorgeous fisherman that she watches every night from the darkness of the forest.

But as Elsbeth watches Thomas with growing interest, she too has a stranger watching her every move, obsessed with her beauty and waiting for his moment. When Thomas becomes the target of a half-breed vampire's jealousy, Elsbeth finds herself caught up in a very dangerous game where nothing is as it seems, and everything she has ever loved is threatened.
