# Botones y culpa

*Penelope Sky*

**Botones y culpa** Penelope Sky

Se supone que se la tengo que devolver a Tristan para cerrar el trato.

Pero ahora, temo el día en que tenga que llevársela.

¿Podré hacerlo de verdad?

Esta mujer no debería importarme. Nadie debería importarme, en realidad.

Pero Bellissima me importa.

## From Reader Review Botones y culpa for online ebook

### Sharron E. says

CLIFFHANGER YOU BEAUTIFUL PIECE OF TORTURE! A necessary evil. But nonetheless still a bitch. Enough said, give me the next book already.

---

### Carissa says

Ahhhh, another exciting addition. I really am glad we're getting 4 different POVs. I miss reading from Crow and Pearl's perspective. I love the action towards the end, and I pretty much read this in one sitting! Penelope sure also knows how to leave cliffhangers. I can't wait for Buttons and Grace. I'll be counting down the days, less than 2 months to go!

---

### Fina Andres garcia says

No puedes dejar de leer!

Esta parte ha sido adictiva, no he podido dejar de leer hasta el final, apenas me ha durado un día, empieza con más tensión y con una situación muy tensa entre Boton y Crow. También hay más acción, cuando Cane se da cuenta de lo que quiere, todo se acelera y pasan a la acción con todo los peligros que conlleva. Creo que han ido mejorando mucho todos los libros en cuestión de traducción y trama, sigue estando contado a cuatro voces en primera persona y de forma alternativa, es muy adictivo e interesante ver como ven cada uno la situación, Crow me ha parecido algo machista, no va a cambiar nunca, pero bueno...Pearl lo quiere tal y como es. Me ha gustado como Cane desvela sus sentimientos, en eso es más decidido que su hermano, aunque no resulte tal y como esperaba. Deseando terminar con el último ya que este tiene también un final de infarto. Os lo recomiendo!

---

### Amy (my\_bibliophilia) says

#### 1.5 stars.

Empecemos...

Yo no quiero ser dura con un libro que me entretuvo muchísimo, pero hay que entender que entretener no es sinónimo de excelente historia.

Botones y culpa estuvo aceptable, y digo aceptable porque los dos primeros de esta serie fueron un romance surrealista con amorío sin venir a cuento y una relación super toxica de plus. Si bien este libro no es la gran obra de la literatura, debo aceptar que aquí la autora relata una situación mas creíble y el inicio de un romance mucho más aceptable.

¿Qué no me gustó? En todos estos libros está presente fuerte el tema del maltrato y el abuso en muchas variantes, pero lo que más me incomodó de todo es la sobreactuación de cierto personaje en muchas situaciones. Una cosa es que hayas sido víctima y quieras ayudar a otros a evitar ese tortuoso camino y otra

muy distinta reletar un personaje víctima de abusos fuertes como si tuviera nervios de acero. Eso, ni la autora se lo cree.

## **Tiffany Giovino says**

Warning: My review may contain spoilers!!

Buttons and Blame continues where Buttons and Shame left off. I love how these books mesh together. There is no time gap in between books. It's just bam bam bam. Almost like one book separated into six. I really love that there are no time gaps. Thank you Penelope for not leaving blank time spaces.

In this book, Cane is falling for Adelina. He refuses to show it and he refuses to acknowledge it. He still plans on giving her back to Tristan, equipped with the cyanide pills. I love watching their relationship blossom. It's beautiful that she can trust Cane after what Tristan and his goons have done to her.

What I don't love, which I'm sure everyone else does, is Crow and Pearl's point of views. I loved the books about them. But this isn't really about them anymore. We shouldn't get their POVs anymore. Just Cane and Adelina's. I do enjoy how their story is going, but these three books are supposed to be about Cane and Adelina. Why do we need four POVs?

This book made up for the action we didn't get in Buttons and Shame. We get to see Cane's emotional turmoil over taking Adelina back to Tristan. We get to see him decide to get her back. We get to see the action. The kills. It's amazing. We get that dark part of this romance.

I do like that this book is left off with a cliff hanger. You're literally at the very edge of the cliff with this one. Like, wtf. I need to know what happens ASAP. Luckily for me, I have the last book in this series and so I do not have to wait to find out.

So many things happened in this book and I loved it. It was much better than Buttons and Shame. I have higher hopes for how this series will end now.

4/5 Stars

## Kay's Blushing Book Reviews says

Buttons and Blame (Buttons #5) by Penelope Sky

Book#5 continues right where Buttons and Shame left us-

Crow is completely livid with Pearl after she risked her life to meet with Tristian. Their fight and make up sex is intense and entertaining to say the least, as we have learnt from the previous books in the series, Crow is as ruthless & stubborn as Pearl is determined in her principles.

The day for Adeline is to be returned to Tristian is getting closer and closer. Whilst Cane is obviously falling in love with Adeline he downplays his feelings. Adeline has broken through his hard exterior and exposed the vulnerable and tender man beneath but will it be enough to change her impending fate.

Adeline and Pearl grow closer having shared similar circumstances and it makes Adeline reassess her questioning feeling towards Cane and just try and enjoy what time she has left with him.

Neither want to let go, Cane wants to fight for her but Adeline is not willing to risk her friend nor her lover's life for hers.

It's intense, emotional and devastating. Ending on another cliff-hanger you're sure to grab the last book in the series to get to that HEA.

### **MY THOUGHTS:**

I found this book a little short but in saying that I still thoroughly enjoyed it. It touched deeper than the last book and we start to see real character growth.

The inclusion of Pearl and Crow enhanced my interest in the story as I had become devoted to their story. It adds another dimension to the story rather than take the focus off the main characters Cane and Adeline. Penelope has brilliantly integrated them throughout the story in a cleverly written and well thought out.

Book four in the Button series was my least favourite book so far and I was almost redundant on the series but I committed myself to reading the whole series and I was not disappointed with this next instalment, it has breathed new life into the story for me and I look forward to reading *Buttons and Grace*

BLUSH RATING: 3

ROMANCE RATING: 3

PLOT RATING: 4

DARKNESS RATING: 2

OVERALL: 4 Stars

GENRE: Dark Romance

NARRATION: Multiple POV

BOOK DETAILS: Book #5 of The Buttons Series.

Book one: Buttons and Lace

Book two: Buttons & Hate

Book three: Buttons and Pain

Book Four: Buttons and Shame

AUDIO AVAILABLE – Whisper- sync ready

DO I RECOMMEND THIS BOOK?

Of course how could you come this far in the series and not go on.

Narrated by: Michael Ferraiuolo, Samantha Cook

Length: 6 hrs and 49 mins

This is quiet short for an audio book but Michael Ferraiuolo is a great narrator. His performance never disappoints.

I preferred the written edition of this book rather than the audio due to the female narration. It's not that I don't like Samantha Cook, it's the fact she did not match her character. Adeline is young and innocent but Samantha's voice is too old and seasoned for her.

AUDIO RATING: 3/5

NARRATORS MATCHED TO CHARACTER: 3/5

## **Espresso-Girls Just Wanna Have Books ; A Mafia Romance says**

4.5 stars!

Buttons and Blame continues Cain and his Bellissimo's story. I opted for the audiobook because the narrators are beyond amazing! The depth the narrators add to the story is incomparable.

Cain is in love! I am astounded the knothed can identify the emotion! His presence in the first three installments of this amazing series is childish, petty, and immature. But whoa what a change! A woman can work miracles!

Embrace Cain's journey as he fights to save the one thing that means more to him than his weapons business. Wait. What? Something more important than his business and money????!!

4.5 stars!

---

## **Karla Cabcam says**

Me gustan los personajes y todo (menos la actitud de Pearl en los ultimos dos libros) pero realmente no veo el punto de escribir mas libros y no haberlo dejado en una trilogia.

### **Carol\*\*\*BeautyandtheBeastlyBooks says**

Well, I like Cane and Adeline's story. It's not nearly as dark as Crow and Pearl's, but good nonetheless.

I do like that it has Pearl and Crow's POVs as well, because even though I love Cane I don't love Adeline that much. So it all felt familiar with the other POVs.

---

### **Melanie Marnell says**

Cane begins to question the fact that he must return Adeline to Tristan in two weeks. Crow's fury is boundless after he discovers that Pearl put herself in jeopardy by going to see Tristan. Adeline tries to enjoy her remaining time with Cane and not think of the future.

Emotions run high in this book. The tenseness and futility of Adeline's situation really comes across. Cane's transformation from cruel womanizer into a tender, caring man is wonderful. Crow and Pearl's volatile yet loving relationship is enthralling. Adeline's stoic acceptance of her fate is heart wrenching. This book contains all the drama, danger, suspense and high emotions as the rest of the series. There are lots of edge of your seat moments that keep you wanting to turn the next page.

Beware though we are left hanging at the book's end. I can hardly wait for the next book to be released to see how all the drama and suspense play out. Penelope Sky has done an outstanding job of weaving tales that keep her readers enthralled and coming back for more.

### **Pou- says**

OMG... Necesito el siguiente libro ya! Estos pocos días de espera serán eternos... Penelope sabe como dejar impaciente.

Como ya mencione anteriormente la historia transcurre antes del epílogo en Botones y Dolor. Después de que pasa el tiempo acordado entre Tristán y Cane, Cane regresa a Adeline, pero sufre una tortura por su retirada, dando a saber que ha desarrollado profundos sentimientos por ella, decide rescatarla, poniéndose en peligro, con el apoyo de Crow. Pearl y Crow, ha sido algo estrujante leer sus momentos de sufrimiento, no pude evitar una que otra lágrima, y sobre todo en el momento más significativo para ambos. Esta historia es suave en ciertos aspectos (por la forma de ser de Cane), la tortura que vive Adeline por parte de otros es asfixiante. La intensidad erótica y estremecedora se mantiene página tras página. Ha sido comenzar el libro y no parar. Ahora necesito el siguiente, Crow está en peligro!!!

---

### **Natalia says**

Cane sending Adeline away... was so wrong...

---

### **Natalia815 says**

3.5 estrellas.

Me ha gustado más que el anterior. En este Cane a conseguido que caiga rendida a sus pies. OMG! el final de el libro. ¡Necesito el siguiente ya!

---

### **Kathi Mendez says**

Holy shit!! I can't even process what I just read, what a freaking ending!! I loved it, we got to see a better glimpse into Cane and Adelina's relationship. I knew underneath that callous exterior there was a guy capable of love. Though I admit it broke my heart when he expressed his feelings to Adelina. Crow and Pearl continue to be my absolute favs, I'm glad we get a look into the beginning of their marriage. I have been making speculations as to how it all ends, given how Crow and Pearls story ended. I am just going to have to suffer until January.
