Girls of July

Alex Flinn

Girls of July Alex Flinn

Four girls. One unforgettable July.

Britta is the bubbly drama queen. She needs to get away—and a peaceful cabin in the woods sounds like the perfect escape.

Meredith is the overachiever. She's spent her entire life preparing for college, but at what cost? Now she's wondering if that's all there is.

Kate is the reluctant socialite. She's searching for a reason to begin again after fleeing her small Georgia town—and a shameful family secret.

Spider is the quiet intellectual. She's struggling with pain that has isolated her from her peers for much of her life.

When these four very different young women stay together for a month in the mountains, they discover that sometimes getting away from it all can only bring you back to who you really are.

Jamie says

Cuuuuutte. So cute that on a day where I planned on reading a ton of books for a sales meeting I read the entirety of this nearly 500-page tome. The characters read a little young but this is just purely sweet. A little bit of a Traveling Pants feel.
