The Gorga Guide to Success: Business, Marriage, and Life Lessons from a Real Estate Mogul Joe Gorga , Kristen McGuinness , Tiki Barber (Foreword)

From the inner city of Paterson, New Jersey to real estate mogul and real husband of New Jersey, Joe Gorga has learned how to build an empire from the ground up. In The Gorga Guide to Success, Gorga shows how to succeed in business, in marriage, and in life by following timeless, old school rules to living with passion, remaining humble, and never giving up.

Gorga understood early on that you "gotta have balls" in order to get ahead. From his first job selling papers to his first forays into business, he learned from his immigrant Italian parents how to work hard, negotiate the best deals, and always keep "two feet in one boot," which have helped lead him to real estate success.

As one of the stars of The Real Housewives of New Jersey, Gorga now applies those same principles to his family, his marriage, and his unexpected stardom.

The Gorga Guide to Success offers real-world lessons in how to navigate everything from real estate deals to relationships... and how to turn any good idea into an empire.
