Zombie-Loan, Vol. 2

Peach-Pit

Zombie-Loan, Vol. 2 Peach-Pit

Three classmates who make their living (literally!) by acting as agents of the Z-Loan office and dispatching zombies - Chika Akatsuki, Shito Tachibana, and Michiru Kita - are hot on the trail of an elusive psychopath known as "The Butterfly." But as if serial killers and zombies weren't enough to worry about, poor Michiru's barely had a chance to get used to her new digs, her new life, and...What's this? A new member!? Chika's friend Shiba joins the teen trio as they solve riddle after riddle and get ever closer to the madman's lair.

Nidah (SleepDreamWrite) says

Though the story is getting interesting and the art style is, different.

Jose says

A new character is introduced and is very interesting in the development of the Butterfly story. The new character is probably the best of the lot. Otherwise there don't seem to be to many advances in the illegal zombie front story.

Linty says

Just finished the second and it's a cheeky cliff-hanger :3 good book and the story is making more sense now. More development was made on the characters which always helps. I need to start the third right now!!

Cindy III says

I want to say it was okay, but it had its moments. Zombie-Loan continues to be interesting, and two of the characters who show up in this volume help making the series appealing.

Jj says

Zombie Loan volume 2 has so many new characters Yomi is my favorite. She is just a interesting, and laid back character. I really enjoyed this volume. I love the plot and the different adventures. My favorite adventure in this volume is the Butterfly. The Z-Loan team has been investigating murders committed by the "Butterfly" whom they have not been able to identify or track down. I can't wait to figure out who is doing the murders!!! Stay tune....

Tvaleros (SpadesHighReads) says

Following up from my previous review on Vol 1. Volume 2 has added a handful of new characters, and the previous ones are given more insight on how they are, who they were, and on the terms of how their situation has affected them. It HAS gotten a bit more interesting and has me turning the pages to find out what happens next, and what kind of grossness (I don't often see gore/graphic scenes) am I going to see on the next page.

On to Volume 3.

Dani - Perspective of a Writer says

I enjoy this manga except for a few things!

#1 It's hard to keep track of who is talking and what is happening action wise.

#2 We see too much of Chika and not enough of Shito.

#3 Before introducing three new characters give us a little time with the ones we have first!

I didn't hate this plot. I liked her new digs but the girl who paws her is a little much. The old friend of Chika is freaky to me too and not (only) because Shito doesn't like him either!

BOTTOM LINE: Getting shallow...

Amanda Setasha Hall says

This series is pretty weird, but I'm enjoying it.

Beck says

some interesting new characters and more insight into the original 3, so again, I'll keep reading...

Selena says

I was having a hard time getting into this volume. And the comment from one of the characters that girls who like BL should be raped and drowned...

Peach-Pit, I loved Rozen Maiden and Shugo Chara!. What happened with this one?

Emmanuelle says

Well, this one was painful to read. A lot of nothing happening, until the end, where it gets going and ends on a "cliffhanger". Dialogues are very childish, everyone fighting with everyone, useless T&A.

As much as I appreciated #1, I hated #2. #1 had a good turn around, but #2 is just boring and/or not in my manga interests.

I bought 1-3 at the same time, and if I hadn't bought them all at the same time, I wouldn't even read #3. I really didn't like this one.

After #3, I'm pretty sure I won't continue on with this series.

Lexie says

Prelim Review: This volume rocks because SHIBA is introduced. SHIBA who is all 'Eh life' and 'WHY ARE YOU NOT MAKING THIS FIGHT TO THE DEATH MORE INTERESTING FOR ME??' he's just as much fun as he was when I first read this. Shito's jealousy is way downplayed here though (its up-played in the anime) so that was interesting and Chika is just so adorable.

This does not make Shito, Chika or Michiru any more likeable (though Chika comes close)--but I enjoyed the mystery behind it. Even if I did know the end result (sadly).

Lecy11 says

i liked it but that one sence no

Emmy Lou says

It's been a long time since I've read #1, so I'm not really sure what is completely going on here.

The Third Place A Teen Library says

F MON z1 v.2
