Incongruent Angel Cherie Noel

Dear Author,

Travis grinned at the incongruous sight of Aaron made up as a Renaissance angel for the photo shoot. Anyone who knew the bass player as well as he did would be aware of the disconnect between his cherubic appearance and the unholy thoughts that were doubtless running through his mind...

This story was written as a part of the M/M Romance Group's "**Love is Always Write**" event. Group members were asked to write a story prompt inspired by a photo of their choice. Authors of the group selected a photo and prompt that spoke to them and wrote a short story.

Read the story here or find it in Love Is Always Write: Volume 5.

Kim Alan says

3.5 -- I almost turned back when the story started out with a detailed description of exactly how promiscuous Aaron was... right on the tail of reading another story involving a 'player' and I just wasn't in the mood. However... before I even finished said contemplation I was sucked in and ended up really feeling for both characters and rooting them along. It was good.

Otterpuss says

This was short, confused and muddled.
I didn't particularly like either character nor did I feel invested in their story.

Bettye Kanady says

I liked the title and I thought I was going to be getting my "angel" fix for the second time today. Well, he wasn't really an angel, he just played one for the camera! The story revolves around Travis and Aaron who have a band called Liquid Sinn...(really cool name!) Anyway, Travis has been the practical person of their partnership; they are not together...yet! At the beginning of the story, they are simply two guys, who have a band, living together, and have a past. Well, Travis takes care of ole "horndog" Aaron by making sure the saddlebags on his Harley are stocked with condoms and "I am legally able to have sex" consent forms. That's kind of cool for a rock star! Anyway, all that changes in an instant and Aaron is left to try and explain what's going to happen in their lives. It's a great story. And I can't wait to read more.

Regencyfan93 says

I will reread again, I am sure. Travis is such a caretaker, packing up the saddlebags with the release form on top of the condoms, so that a signature is attained. Breaking his heart every day. The story grabs me from the beginning and ends too soon.

Terra Noah says

[Would love to see Travis spread out on it. (hide spoiler)]

There is some confusion about the two stories I have up by the same title (Understandable, given they have

the same title). They are not the same book. The LiAW short is only 10k long, and has this cover
The other story is over 26k and has this cover

They are not the same. The first was intended to be a free short story for the LiAW event. The second is a continuation of that short, written in response to readers requests for more. It is for sale. I am an author, and writing is my job. I love being able to write things for events like the M/M romance group's LiAW event, but I can not give away all or my work or my family suffers. Whomever keeps putting my books together, or taking down the ones I put up, please stop. It would be like me coming to your job and erasing a full weeks worth of work from your salary. Please think before you do such things.

This story felt like the appetizer prior to the main course. It was really tasty, but barely whet my appetite. I'm really very hungry for more! I see the potential in Travis and Aaron, but I crave some certainty that the only person Aaron will drape over that Harley from now on will be Travis!!! Wonderful story – want more. :)

A Girl Has No Name says

Ignoring his own desire and his hurting heart, Travis is regularly providing Aaron, his band colleague, with lube and condoms to keep him safe, when he once again feels the urge to fuck around. However, it comes the day when Travis forgets to replace the necessary supplies and he heads after Aaron, who already left for a photo shooting. That's the day when things suddenly change.

I really liked the writing style and I would have loved to get to know the MC's better. I might have a look at the longer version, as this one ended a bit abruptly for my liking. I would have loved to read more about the emotional background relating Travis and Aaron.

Incongruent Angel was more of a 2.5 stars read, but in order to honor the great event of the M/M Romance Group and the effort of all the authors, I'll round it up to three stars!

Matthew says

Not a bad little short.

I thought it was a little bit unbelievably exaggerated how charming and successful everyone in the story was. The whole thing was pretty unbelievable. The sudden falling in love after all the time together... etc... but it was sweet. The little brother and the older brother's best friend, realizing that they are meant to be together.

Sandra says

Offered for FREE from the M/M Romance Group, Love Is Always Write: Volume Five.

So I really liked this story, it was sweet and really well written. Probably the two things keeping it from being a 4 star for me are 1) ended a little too abruptly, I know it's a short story and a HFN is OK but especially given their past I wanted a little more closure, and 2) related to that, Aaron needed to wallow more. I'm OK with the fact that he didn't know what was under his nose and he was slutting around until he realized what he really wanted/needed, but you're gonna have work a *little* harder than that. I would have at least liked a little speech/apology, I think Travis deserved that much at least.

Bookbee says

Smart writing with great characters!

Helen Peter says

Wonderful wonderful story.

Katy Beth Mckee says

Travis and Aaron have been dancing around but a crisis is what it takes to bring it all out in the open.

Sarah says

It ended just as it was starting to get good. There was no sex.

Erica says

I thought this was okay, and the writing style has an airiness I enjoyed, but the back and forth was too frustrating.
