Tears Fall at Night on several Bestseller's list:

#1 Bestseller in Christian Fiction
#1 Bestseller in Women's Fiction
#1 Bestseller in Multicultural Fiction

#3 Bestseller on Amazon's Top 100 List

Life was good, God was blessing and the Marshall family was riding high, until Carmella Marshall's husband, Nelson asks for a divorce and then moves in with his girlfriend—who also happens to be her twenty-three-year-old daughter's best friend—her son gets arrested, her daughter drops out of college, the bills go unpaid, and then Carmella has a nervous breakdown.

The Marshalls have ups and downs like any other family. However, Carmella always thought that God would see them through anything. But when Nelson left and her life fell apart, she realized just how weak she could become, without the strength of God guiding her way. Through prayer, praise, and a love that bonds families together, Carmella renews her trust in the Lord and discovers a way to turn her life around.

In TEARS FALL AT NIGHT, the Marshalls discover that even when everything goes wrong, they can still lift their hands and praise God anyhow.

Readers will be emotionally invested in the characters from the start. The character's pain and inner struggles lead to heart-wrenching scenes. Themes of faith, forgiveness and reconciliation make this a powerful testament to God's faithfulness that will remain with the reader long after the final page.

When Your Life is Thrown A Curve Look To GOD And Wait For The Blessing

When Your Life is Thrown A Curve Look To GOD And Wait For The Blessing

This book is about finding Love again after twenty five years of marriage ends in divorce. If you are a Christian and love reading about Christian romance then this series of love and Christian romance will truly give you some hope. Read the book and enjoy then read the rest of the series I am.

Stacey Harrell says

Great read

I have never read books by this author. I was thoroughly impressed. I would recommend all women who are trying to get closer to God or already have a relationship with God to read this book because it is encouraging and the situations are very true to what we deal with daily.

Lillie says

Although I found the book a little over-dramatic--the wife and girlfriend getting into a brawl, for example--the situation this family is in is, unfortunately, all too common today. I appreciated the reminder that God is good...all the time. All the time...God is good. We are to praise Him in the midst of the difficult times as well as the good times.

Torrie says

This is the first book I have read by Vanessa Miller and I read it in four hours. This was a full length novel but once I started, I couldn't stop reading it. It's about a woman who deals with the heartache of losing someone she loves and renewing her faith in the Lord. I can't wait to read the next installment of the Praise Him Anyhow series. The audio book is great also.

Elizabeth Vautrain says

I'm sorry but this plot was so poorly developed it was laughable. The characters are one dimensional and unbelievable. I can't see why this got so many high ratings. I guess the premise is interesting and may

speak to some, but the melodrama was too much for me. Ended way too abruptly. A complete waste of time.

Bree says

I really enjoyed this quick read. It was an interesting story and it enlightened me with realistic situations going on in everyday lives. Carmella thought she and Nelson had the perfect marriage but Nelson had already pursued another woman. Jasmine was wrong for going after her best friend Joy's father but he was just as wrong as well. Dontae was affected the most by the betrayal but Joy was damaged eternally by it. I was glad Carmella reconnected with God and Rosa stayed by her side. Rosa helped her get through it and get her new career started. Good ending as well glad Carmella got her divorce and gained Ramsey her first love. They both had something in common and that was their love for God..... I give this novel a two thumbs up!!!!!!

India Jones-Tanner says

This book is the first book in the Praise Him Any How Series. It was a short, quick read that could have been better, if it was longer. I'll tell you about that statement later.

After 25 years of marriage, Carmella Marshall's husband, Nelson asks for a divorce. This news takes Carmella by surprise. She has been the perfect wife, helping her husband through law school and standing by his side as he struggles to become a judge. She also has been the mother to their two children, while putting her dreams of becoming a teacher on hold. What would make her husband do such a thing? That question was never answered.

Joy was growing tired of her roommate Jasmine running behind this mystery man. Finally, Jasmine invites Joy to help her move into this house her mystery man has rented for the two of them. Joy is totally in awe of the gorgeous house, but she wonders how could a law student like them afford such a big house? If her father wasn't paying her rent she couldn't afford her apartment. Then, she finds out, her father is her best friend's mystery man.

Carmella suffers a nervous breakdown. After coming home, she realizes her children need her. She needs to get her priorities together. But how? All she has ever known was Nelson and the kids. But, God always has a ram in the bush. Who is Carmella's ram?

The book could have been better if more background was given on Carmella and Nelson. What little information we have on them prior to the divorce was summed up in a paragraph in the beginning of the story.

What made Nelson want a divorce? Was he unhappy? Mid-life crisis? Why someone his daughter's age? What could she give him that his wife couldn't?

I would've also liked to know what made Jasmine betray her best friend? Besides money, what else could she gain with being the lover of a man who could very well be her father?

Ugh, I hate series. Maybe these questions I have will be addressed in the other books. As short as this book was, this story could've been wrapped up in one book.

Tami says

Very confusing book. Stories just ended with no resolution. New stories began, some with the same characters, some without but they didn't really play off of each other well. Would not recommend. It is part of a series to find out more, I will not be investing in more books to find out what happens, I will cut my losses.

Latanya says

Commitment & sacrifice; loved Carmella and how she handled her marriage. And Ramsey, I ain't mad at you:-)..Get your 1st love back! But, Joy...Revenge is very destructive! The one person we try to protect the most (ourselves) is usually the one who loses the most! This book was another great read..as always, V. Miller never disappoints! My heart breaks for Joy.

Christian Readers Alert

anyone looking for a good Christian read must read this series of books, they will have you laughing, crying and singing praises to the Lord. Will make you re-examine your faith in GOD just to see if it is as strong as you think it is.

Kellee says

Initially the book started off really good. Eventually it kind of slowed down. I didn't realize it was a short story, and I'm not really sure it was...At the end, there were numerous stories about the other character's that were in the book. I'm not sure if those were short stories or maybe the beginning of their own stories. The book was "bad", it just wasn't for me.

Towhanna Boston says

This was an excellent read and I would recommend it to others. The story made me think of the "Haves and the Have nots" This happens one too many times in marriages. The man or the woman leaves after being married for over twenty years. I saw myself in the Character - Deidra who was Carmella's divorce attorney.....she was bad! love it!

Brenda says

I liked the characters. The story was very real and very touching. Excellent turns and twists.

Hilary says

[Throwing rocks through windows? Having a nervous breakdown on the front lawn. I also felt Jasmine was rather cruel to flaunt the relationship for *months* before her best friend and room mate. Who does that, really?? (hide spoiler)]

Karen says

Tears Fall At Night.....A must read. We all going through trials and tribulations, but we must never stopping talking to God. Whatever He brings to you, He will bring you through it. Carmella had to deal with her husband asking for a divorce, to be with a younger woman. Carmella was so distraught, about the divorce, but she was able to put it in God's hands.....Real life issues.....No matter what you are going through, Praise Him Anyhow.....Thanks Vanessa Miller.
