Violet Sakura says

I'm even starting to like the art!

Indah Threez Lestari says

#Program BUBU

Pertama kali dibeli dan dibaca pada tanggal 10 Juni 2004.

Rebecca says

While I'm leery of how Tsukasa and Tsukushi's relationship will evolve with her living so close - and he continues to be a leading contender for "creepiest manga boyfriend" - I am excited to read beyond where the anime ended, and this volume shows that Kamio's storytelling technique is improving. I like it against my better judgement, which is the mark of a good guilty pleasure.

Miss Ryoko says

Poor Tsukushi... but, yay Kinsan!! It was nice to see him again. I wish he'd stick around more!

Akira and Sojiro are hilarious but lately they've been pissing me off. I just want Tsukushi to beat the hell out of them and tell them to mind their own business! That would be amazing!

Lauren says

There was something in the way all of the characters came together that I found irresistibly compelling about this series. It did remind me a lot of Ouran while I was reading it and maybe that is why I liked it so much. Tsukushi is an interesting protagonist, I loved when she started taking action and sticking up for herself.

While I wasn't overly fond of the artwork style I was able to get past it because I my love for the storyline. This is an honest story with twists and turns, ups and downs, but then again that is real life.

I would really recommend watching the anime too!

Kricket says

in which tsukushi somehow winds up being a maid at tsukasa's house!?!

(this is after her parents move away and leave her alone in an empty apartment. the F4 purchases furniture for her, which is so heavy that the floor caves in, leaving tsukushi homeless.)

michelle pham says

wHY SHE BROKE AF

Snow says

reviewing for Good Comics for Kids

Danyka says

I'd watched and liked the anime version when I was still a kid.

For now, I got no plans for buying a copy.

Chibineko says

This series has an unfortunate habit of drawing out a situation for volumes & volumes before it has a real payoff like this. Recently we got to meet a REAL rival for Tsubasa's affections in Shigeru, his betrothed fiancée. We realized that if Tsubasa hadn't met Tskushi, Shigeru would have been a good match for him. When we last left them, Tskushi had walked in on a very... interesting position between the two teens, only to assume the worst. (For a girl who claims not to care for Tsubasa, Tskushi sure does protest a whole lot. A little too much, actually.) We deal with the aftermath from that, as well as more reminders of how poor Tskushi is.

This volume finally delivers a few needed shots of life into the series, but unfortunately it isn't enough to really give it the oomph needed to pick everything up to high gear. Fans will still enjoy the book, but everyone else will scan through the volume & replace it on the bookstore shelf until the series eventually gets interesting again.

Nidhi Bhatt says

Yeah! now the fun begins as Tsukashi works as a maid at Doumyouji Residence! This part was super fun in television series.

Emmy Lou says

Tsukushi's family moves to the coast to get jobs in a rural fishing market, leaving Tsukushi to fend for herself. When disaster strikes and she has no where left to go, she awakens to find herself in the Domyoji mansion. Tsubaki insists that Tsukushi lives at the mansion, but is that really a good idea with the love-scorned Tsukasa and the flame-gurgling demon of a mother hanging around?

Tsubaki's story about her high school sweetheart was so cute!

V says

Exhaled heavily on this volume since Tsukasa's mom finally went away for a while. And hello there Ken-san, I thought I have seen the last of him a few volumes back but guess what, he rescued Tsukushi again in this volume. And hurray for Tsukasa's big sis for being so caring for the younger ones' happiness.

Funny as it may seem though is Makino is now a maid in the Doumyuji residence, a private maid for Tsukasa to be precised.

Zahra says

¡Aca tenemos una maid eje eje eje!
