"Last time I trust a b*tch, she played me. Pardon me if I been on one lately. This is how you niggas made me." -Fabolous

After Zo's trust was betrayed by his ex, it brought out the beast in him, and long gone was any thoughts of love. Deronzo "Zo" Young was as rude as they come, but that didn't stop the flock of birds that threw themselves at him on a daily. Being the son of a kingpin brought out a city full of loose women, and Zo thought he was a fool to want to settle down. But, when he crossed paths with the beautiful Yemani, who wasn't fazed by his status, Zo found himself doing the unimaginable.

A young, vibrant, Yemani Bello entered the country at eighteen, ready to spread her wings and enjoy life without her overbearing father. But, four years and a degree later, it's now time for Yemani to face the music and her father and go home. When Yemani is stuck between a rock and a hard place, she takes her best friend's advice and extends an offer to Zo that she hopes he can't refuse.

With Zo's past and present laid out in front of her, can Yemani take the heat of being with a B-More Bully, or does she choose the latter and head for the hills? Follow this story of murder, mayhem, and matrimony.

Crazy

These 2 here lol! If they would just stop fighting long enough to sit down and just admit how they really feel smh! Imma need Yemani to boss up one time at least! All Mya need is that one good butt kicking. Zo is really crazy for real. I love Legacy & Ryan. Ish is getting crazy! Outstanding book

This book is so good and I enjoyed it. Held my attention from beginning to the end and i couldn't put it down. Loved the storyline, plot and these characters and it moved somewhat fast, but at a steady pace. Really drawn to Yemani character she was very naive, but I see she's starting to boss up and I love it. Zo has been betrayed and not looking for love, but Yemani is making him feel things he never felt. Like Ryan and Legacy together and can't wait to see how that unfolds. I see this book has alot of twist, turns and drama, then throw in all the jealousy and bitter ex made this a entertaining read. you can tell things are about to get really crazy and I ready for the action. Job well done AJ Dix.

Very Impressed! Go Cop Dis Book!

I have this book five stars because you can't give ten. I am very impressed with A.J. Dix and her work gets better with each project. Zo is now "Bae" and the only thing I didn't like about the book was Mya. The parents were very traditional and realistic (so someone did her homework) and you really captured what life is like for girls in these type of families. This book is filled with drama yet not overly dramatic. You did well Ms. Dix and I look forward to part 2.

A Good Read!

This was my first time reading this writer's work and I must say I am hooked. The story gives you a new twist on boy meets girl and they get married. The chemistry is good and the characters are just spot on its almost if they are right there with you. This was a good story and I'm sure the follow-up is going to be just as good. This is definitely book club worthy.

Something Refreshing! Not typical!

The story does nothing but hold your attention. The unconventional way to find love and that's what is looks to be happening. I love Yemeni and her background! So better straighten up before he loses her. Hoping Ryan and legacy blossom! Well on to pt 2!!! Good job AJ??

Latonia says

Idk

But it was getting good I just believe it could have got a lil hood and that she could have step up to Zo and she could have got hood

Zo was a straight SAVAGE but to Yemani his was a teddy bear. This book was well put together it flowed perfectly. There were a couple of errors and discrepancy but it didn't take away from now good the book was. I hate that it ending so quick but I will be anxiously awaiting the next installment.
