## **Shawty Fell In Love With A Hood N\*gga: A Bangin' A\*\* Love Story** Myia White

Growing up Breeze had a mentality that most young niggas his age couldn't understand. While his peers wanted to be like Mike, Breeze wanted to be like Mitch. He took Mitch's logic, applied it to the game, and created a lane for himself. Breeze wasn't at the top of the food chain, but with his bad temper and nonchalant attitude, he was eating those lame niggas for dinner and creating a name worthy to represent his legacy. Young Breeze had it all, and the only thing missing was the beat to his heart. Love as Breeze knew it was foreign. It was a language he didn't speak. However, when a Miracle finds her way into his path, Breeze contemplates learning the language of love.

After the death of her boyfriend, Miracle finds herself in a rut but longing for so much more. With her friends by her side, she tries to push through and pick up the pieces of her life. Fixing what's broken is never easy, but with a hood nigga by your side, things might just get a little easier.

Falling In Love With A Hood Nigga is never easy, but it may be worth it.

Love the bond that the girls have with each other. Nikki should've been honest with Cypher. Miracle is willing to take a chance at love and Breeze is trying to do all he can to be the one to receive it. Can't wait to find out what happens to everyone!!

Started off with a bang and ended with a bang. It was really good and flowed just as well. it was entertaining and held my attention and I still wanted more. Was alot of twist and turns that kept me wondering what's happening next. Nikki, knew she had too much going on to try the relationship thing and it's come back to bite her. Really liking Miracle and Breeze together. Need more on Kimora and Jon Jon. Better watch out for those females that won't let go and Chris. Wasn't expecting that ending and can't wait to see how it all unfolds. Job well done Myia White.

**Great job!**

Omg..you are so wrong for that ending?????????????. This book was so freaking good and I can't wait for part 2.

Please let Breeze and Cypher be ok. I am so upset with Nikki for not being honest and still tricking with these n\*\*\*\*s. I hope her and Cypher can work it out. Miracle can't take anymore heartache so I pray Breeze has a speedy recovery.

**I really liked how rough yet sensitive the characters are.**

Nikki is doing a bit too much to me, especially since my boy Cypher is trying to do right with this relationship that they have going on. I really like Miracle and Breeze together honestly. I want to know more about Kimora and Jon Jon to be honest. Jon Jon came off kind of lame at the beginning of the story though. I can't wait for part 2

## **Michelle says**

I enjoyed Breeze and Miracle relationship together they were perfect breeze was scared of falling in love.

Miracle was a good girl just pick the wrong men. Nikki is a girl who loves money and mixed up with an entire family son, father and cousin. Cyper is a great guy but jealous at heart will he kill his own father. Will Miracle see Breeze again and start planning there future or will it be to late. Kimora and Jon Jon where a perfect couple hood niccas need love too. Hurry up part 2.#143
