Ephesians: Biblical Commentary Joyce Meyer

Learn the importance of living *in Christ* and putting your relationship with Him first with this commentary on Ephesians from internationally renowned Bible teacher Joyce Meyer.

Paul's letter to the Ephesians is a well-loved book of the Bible that teaches some of the most important lessons of faith: who you are in Christ, how you are to live as His follower, and how to gain victory in the spiritual battles you face. In this study tool, Joyce Meyer takes a close look at the meaning of those beloved verses, identifying key truths and incorporating room for personal reflection.

Joyce's first-ever biblical commentary series provides eye-opening teachings that will help you develop a stronger relationship with God. As you take the time to study His Word, you'll see how much He loves you and who you are in His image. Change will come, and your life will bear the good fruit that God intends!

Debbie says

"Ephesians" is a Bible commentary on Ephesians that can be used for personal Bible study or even as a devotional. The author provided an amplified version of the verses, doing one to seven verses at a time and working her way through Ephesians. She talked about each group of verses and brought out insights to improve our understanding. She stayed focused on the verses rather than telling funny stories, but it wasn't highly academic or difficult to follow. It's written at a layman's level and contained short enough sections that it could be used for daily devotional reading. She included questions for personal reflection along with space to write in your answer. I have read several commentaries on Ephesians lately, and this is one of the better ones, in my opinion. Overall, I'd recommend this to anyone wanting to better understand Ephesians.

I received an ebook review copy of this book from the publisher through NetGalley.
