The Diehard Warrior Jennifer Youngblood

A love gone wrong, a chance for redemption and reconciliation, and the web of deceit that could destroy everything.

When feisty and headstrong Addie Spencer, the manager of an upscale resort in Colorado, finds herself in danger, she must put aside old grudges and rely on her former boyfriend, ex-Navy SEAL Maddox Easton—the guy she dumped—to keep her safe.

Addie doesn't want to think about the armies of butterflies Maddox unleashes in her stomach or his sharp wit and Southern charm. She certainly doesn't want to think about his ripped muscles or penetrating blue eyes. She broke up with him for a good reason—a reason that is still staring her in the face.

Despite her attempt to keep Maddox at bay, sparks rekindle as Addie and Maddox race to find the answer to a puzzling mystery before Addie becomes the next victim.

Love says

Sad And Beautiful Romance

This is an amazing and breathtaking love story with plenty of twists and turns and characters you fall in love with from the very beginning til the end definitely must read.

Kathy says

This book was well written with a perfect blend of romance and suspense. However, I didn't love the characters. I found Addie stubborn, immature, and snarky. Maddow was broken from his PTSD, but only in spurts.

Laura says

Best one yet!

Heather Green says

Good read with twists and turns. Clean romance. Some humor. Although, the ending with the puppy didn't seem to fit the rest of the story. I would probably read this one again. Really liked Maddox.

Pat Rathmann says

A SUSPENSEFUL ROMANCE

An intense story, a love denied and forgiveness hard to come by. Two former lovers come together after a long separation. An ex seal returns to town to protect his former love. Her friend has been killed and her home ransacked.

Excellent read. Clean writing and great characters. Alzheimers is a horrible disease. I think our pharmaceutical companies have cures for many illnesses, but keep the cures secret so the public has to keep paying high medical costs. Anyway, a good read. Happy ending.

Addie and Maddox

Addie and Maddox had been an item for a while. However, because he had become a Navy SEAL she didn't think she could stand it if he went away and she would wonder if he'd come back so she broke off their relationship. Then, when Maddox was presumed dead, she was confronted with her worst fear.

Maddox, after escaping with his SEAL Teammates from an ISIS camp after being held and tortured, comes back home. He goes to see Addie but when he sees her getting roses and a hug from another man, he bolts.

When Addie has some trouble, her brother, Corbin, whose wife has pre-eclampsia and doesn't want to leave her, calls on his best friend and Teammate, Maddox, to go help her, Maddox doesn't hesitate.

Their journey back to each other's arms takes many a twist and turn as they try to solve a mystery surrounding the murder of one of her good friends.

thrilling,.sad & happy

Wow this book literally had me on an emotional roller coaster!! I fell in love with Maddox and Addie. My heart broke for Jordan and how the truth came out in the end. True love did conquer ?

Joan says

Addie and Maddox

Addie and Maddox are both easy to love with human foibles, but also endearing qualities. I loved reading as they grew and changed for the better. You can't miss with strong feisty characters and clean romance.

Huanne Woodward says

Be happy

One of the best SEAL stories! Loved the research for Alzheimer's cure, reconnecting love, and family. Also watch out for those friendships

Carrie Oetman says

Great new addition to the series!

I can't tell which book in the SEAL series (x2) is my favorite. I love catching up with characters from previous books. I love the romance and the suspense and the entire storyline. I literally hope this series never ends.

The Diehard Warrior

The Diehard Warrior - if you like suspense with your romance, this is the series for you! This warrior's story keeps you on the edge of your seat right up to the ending. The well-deserved happily ever after is a sweet treat to finish it off.

Sara Summers says

Cute!

Cute read! I enjoyed it! It was fun to see Corbin and Delaney again. Very clean romance with a nice hea.

Teya Peck says

Wow! This was a really good book. I had my suspicions and was thrilled I was on Maddox's side on some things. I did not like the whole pretend I have a girlfriend thing. I really enjoyed the story. I was even surprised on a couple of things. I really enjoyed it.
