Argh..diese abenteuerlichen Folgen in denen die Jungs die armen Indianer von den bösen weissen Männer retten müssen, die sind so übertrieben und mag ich gar nicht.

Quentin Wallace says

This was a strong Three Investigators novel that took a step up in maturity level. This was the first one I remember with machine guns and gunfights, at least on this level. There's also a plane crash, murder, kidnapping and more.

I still haven't quite adjusted to the idea of Bob as a chick magnet, but other than that most of the story and characters seem to follow a natural progression as the characters get older. The basic plot of this one involves some toxic waste being dumped on an Indian Reservation illegally, and the villains are probably the most dangerous the Investigators have encountered. Plenty of action and a little more suspense than usual, this was very entertaining.

"Yeah," Jupe said. "It's almost enough to make up for Bob's disgusting popularity."
"Sorry, guys," Bob said cheerfully. "What can I say? If you've got it, flaunt it."

Einige wenige Szenen in dieser Geschichte haben mich zum Lachen gebracht, weil sie seltsam oder over the top waren (mir fällt noch Peter ein, der aus Freude Bob wieder zu sehen, sich direkt auf ihn schmeißt) aber allgemein fand ich das Buch eher langweilig. Ich bin eh nicht so der Fan davon, wenn die Drei die weißen Helden spielen und mal wieder irgendwelche Total verklärt beschriebenen ureinwohner retten. Und langsam bin ich echt nur noch genervt davon wie doof Bob beschrieben wird, nicht nur als Frauenheld (ja, wirklich, jedes Mädchen kann die Augen nicht von ihm lassen.....), sondern auch total arrogant.

BOTTOM-LINE:

Not bad, not great

.

PLOT OR PREMISE:

This book marks the third in the Crimebusters series, with the Three Investigators in a plane crash with Bob's father.

.

WHAT I LIKED:

After the plane crash, they are forced to "rough it", with standard adventure fare. The mystery is classic Three Investigators, and Stone is beginning to somewhat settle into the characters.

.

WHAT I DIDN'T LIKE:

The adventure side degrades into dealing with polluters with M-16 rifles and there is a "fight" scene that again is very far removed from the Three Investigators world.
